ABOUT MCKVIE

MCKV Institute of Engineering is one of the top engineering colleges in West Bengal established more than two decades ago (since 1999) with a vision to foster the spirit of technological learning and its application through creating the right kind of opportunity and ambience for educating young minds in the digital era. The Institute has been accredited by NAAC with an 'A' Grade, and it is an Autonomous Institute affiliated to MAKAUT, WB and approved by AICTE. It offers core and applied engineering programmes like: Mechanical Engineering, Electrical Engineering, Computer Science Engineering, Electronics and Communication Engineering, Information Technology and last but not the least a very niche stream that is Automobile Engineering, some of which are accredited by NBA. Besides, M.Tech in Electronics and Communication Engineering (with specialization in Communication) is being conducted to encourage students in higher studies for over 10 years.

With the confidence of her illustrious track record and with the support of autonomy, MCKVIE has stepped in to launch three new B.Tech courses viz. CSE (Data Science), EC(VLSI Design) and Artificial Intelligence & Machine Learning(AI&ML) along with a PG course in the field of Management, MBA(Business Analytics) where the curricula are designed to accommodate the trending need of the Industry.

The Institute is always committed to provide quality education to cater to the diversified needs of the industry and encourage research works as well for the society at large. Its State-of-the-art infrastructure, industry-academia collaborations, experienced senior faculty and rigorous hands-on training sessions, transform students into industry-ready professionals. For more than 20 years, MCKVIE has been known for its spirit of excellence that transforms students into intellectuals, where faculty works with the students to engineer solutions and encourage exploration across disciplines. Critical thinking and networking is the main focus – on campus, off campus and after graduation.

National Innovation and Start-up Policy (NISP)

MCKV Institute of Engineering (Autonomous), Liluah, Howrah has initiated the efforts for implementing the National innovation and start-up policy (NISP) under the aegis of the Ministry of Education's Innovation Cell (MIC). The policy aims at promoting innovation and start-up culture among the students and faculty of Higher Educational Institutes. The detail of MCKVIE –NISP policy can be found at https://www.mckvie.edu.in/nisp/.

List of NISP- MCKVIE committee members:

Sl. No.	Name	Role
1	Dr. Prasenjit Chatterjee, Dean (Research & Consultancy)	Chairman
2	Prof. (Dr.) Amit Phadikar, Prof. Dept. of IT & NISP Coordinator	Convener
3	Ms. Jayanti Mahata, Assistant Prof., Dept. of IT	Co-convener
4	Prof. (Dr.) Debapriya De, Controller of Examination	Member
5	Prof. (Dr.) Arghya Sarkar, Dean (Academic and Administration)	Member
6	Prof. (Dr.) Arun Kumar Jalan, Dean (Student Affairs)	Member
7	Mr. Sandeep Dutta, Head Training Placement Cell	Member
8	Mr. Soutrik Bose, Assistant Prof., Dept. of ME	Member
9	Mr. Soham Lodh, Assistant Prof., Dept. of ECE	Member
10	Mr. Diptayan Bhattacharyya, Assistant Prof, Dept. of HSS	Member
11	Mr. Animesh Talapatra, Assistant Prof., Dept. of AUE	Member
12	Dr. Debopoma Kar Ray, Assistant Prof., Dept. of EE	Member
13	Mr. Sourav Ghorai, Assiatnt Prof., Dept. of Basic Sc.	Member
14	Mr. Sumit Majumdar, Assistant Prof., Dept. of CSE	Member
16	Dr. Shyama Prasad Chowdhury, Sr. Data Scientist, IBM India Pvt. Ltd.	Member
17	Mr. Sreyans Jain, Director, Sliced Mango, Kolkata	Member

MCKVIE Innovation and Entrepreneurship Development Centre (I&EDC)

The Institute has established I & EDC to implement National Innovation and Start-up Policy (NISP). The objectives of the cell to motivate educate and help students to convert their ideas into business through product development.

Vision

To cater the needs of young entrepreneurs with innovative ideas of social relevance and there by introducing a culture of entrepreneurship inside campus which will strengthen our education system and there by promoting the national economic and social growth.

Mission

To develop an ecosystem with required infrastructure that can enable students and faculty to innovate and prototype their potential ideas with industrial standards and support from Government, industry and reputed academic institutions around the world and help them to realize their potentials.

Short term Objectives

1. To help student groups to prototype their ideas.
2. To improve innovation, creative and design thinking among student community.
3. Incubation facility for faculty driven start-up and student/Alumni start-up.
4. Organize FDP, seminars and workshops, distinguish talks for students, Faculty and Alumni and promote entrepreneurial culture.
5. Strengthen institute industry interaction cell activity and effectively use the outcomes for achieving the mission**.**

Long Term Objectives

1. Associate with DST, CII, MSME and other academic institutions for transferring world class facility for MCKVIE I & EDC activities.
2. Improve quality of research work among students and to attain patent which can be commercially used in production.
3. Provide a platform for students to develop innovative products with global recognition and generate business opportunities.
4. Generate revenues through consultancy work and student start-ups.
5. Spread awareness to students and faculty regarding IPR related activities.

6. Strategic partnership linkage with

   (a) Entrepreneurship Development Institute of India(EDII), Ahmedabad

   (b) National Innovation Foundation (NIF) of India to submit ideas and apply for schemes

   (c) Procure fund from AICTE for Entrepreneurship Development Cell

   (d) Commencement of Masters/MBA programs in Entrepreneurship

List of pre-incubation and incubation and IPR support facilities available for students, staff and faculty in the campus with point of contact:

	Incubation
• Mentorship for 8 hours in a month • Access to Advance lab for prototyping • Meeting with other incubated start-ups • Networking opportunities with incubated start-ups • Communication about external events/activities	• Mentoring and advisory • Access to Advance technology lab • Access to meeting room on booking and subject to availability • Connect to investors/VCs • Networking opportunities with incubated start-ups • Access to library services • Information about external events/activities/connect with funding agencies and investor • All benefits as mentioned in the agreement

ABOUT The StartUp Club by MCKVIE

The StartUp Club

(Your Playground for ideas and innovations)

The members of The StartUp Club are a bunch of engineering students from MCKV Institute of Engineering (Howrah, West Bengal, India), trying to make our dents in the universe, create a safe space and rich culture for fellow aspiring entrepreneurs! We have dared to dream big! We actively organize exciting and engaging entrepreneurial activities.

Mission of The StartUp Club by MCKVIE

The StartUp Club by MCKV Institute of Engineering is an Entrepreneurship based club for the students of MCKV Institute of Engineering, Howrah, West Bengal. With a member strength of 500+ members the club envisions to establish StartUps from scratch. In the process we strive to gain insights from Industry Stalwarts by learning from their experiences through various seminars and associated events.

We actively organize exciting and engaging entrepreneurial activities. We are trying to make our dents in the universe, create a safe space and rich culture for fellow aspiring entrepreneurs! We have dared to dream big.

List of StartUp Club members

Details of Internship at various Startup and Innovation Centers

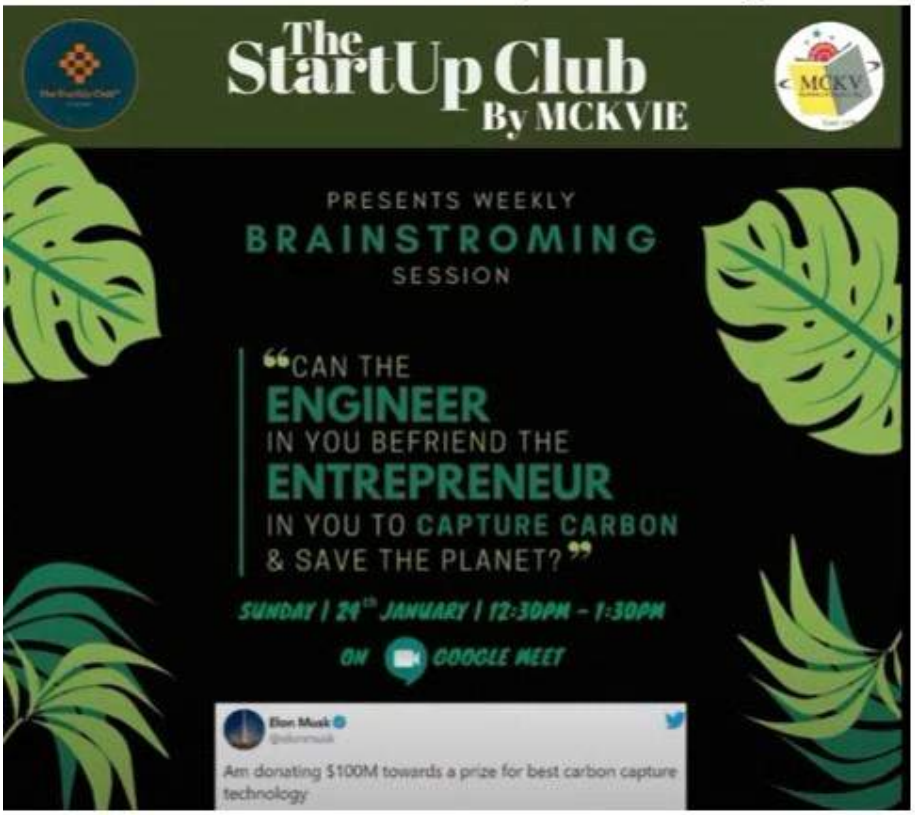
1.Entrepreneurship & Innovation as Career Opportunity

Purpose of the event : For students to gain valuable in-depth insights on the rising scope of entrepreneurship across various industries especially post Covid-19 & to encourage them to choose entrepreneurship as a career.
We encourage you to take the entrepreneurial leap! You'll never know until you try. It may just be that now, more than ever, we need more entrepreneurial spirits!

2. BRAINSTORMING on A Social Entreprenure's Solution to Climate Crisis

Purpose of the event : To solve a problem creatively or innovatively. Brainstorming also emphasizes on improving our ideation process and elevates the creative thinking of individuals. One of the major objectives of brainstorming is to withhold criticism and welcome all sorts of ideas to the table.!

3. BRAINSTORMING on Carbon Capture Technology



4. BRAINSTORMING on the boom of Global Online Gaming Industry

5. .Funding Opportunities for Innovation & Entrepreneurship Development

Purpose of the event : For students to gain valuable in-depth insights on the rising scope of entrepreneurship across various industries especially post Covid-19 & more specifically on various types of funds & investors an aspiring studentpreneur can go for, starting from right while jumpstarting a startup idea upto a revenue making startup - stages of fundings & finance opportunities during the entire journey.

6. TECHFIESTA

Purpose of the event : An event for Technical Skill Development focusing on the domains of web development, game development and graphics designing.

Event Analytics

7. BRAINSTROMING on Cryptocurrency: Pivoting the future of finance

8. Whats your Story? : An Entrepreneur's Journey and Crossroads

Purpose of the event : An interactive workshop for inquisitive studentpreneurs to gain first hand insights on an entrepreneur's journey from Day 1, focusing on the the path of 'grind to glory', the obstacles, the crossroads, the feeling of the very first success and the everlasting persistence to gift a better future to the society.

9. Apti-Awareness

10. Product Development Phases

Purpose of the event : To give the Studentpreneurs a clear visionary on how to establish their ideas to feasible in-hand products and introduce to them the various checks and tests that are probable to be encountered in the way.

11. Demo Day Exhibition cum Demo for POCs & Mentorship Session for Innovator or Student Entrepreneurs

Purpose of the event :
To give the Studentpreneurs the mentorship to develop ideas feasible for real-world application with reference to the innovations made by the speaker.

12. KAWACH: Lets unite to divide Sars-Cov-2

13. BRAINSTROMING on Solutions to the challenges faced during quarentine

14. BRAINSTORMING on SPACEX commercializing space travel

15.Understanding Angel and Venture Capital funding- What is there for early stage innovators & Entrepreneurs

Purpose of the event : To give mentorship to the early stage innovators and entrepreneurs for developing ideas feasible for real-world and upgrading them with the steps for funding their ideas.

16. PIVOT 1.0

Purpose of the event : *In this event we are going to examine the shortcomings of certain business ventures and the participants have to come up with an optimizing solution for those problems.*

17. "IDE for Your Coding Skills"

18. Meme-preneurship 2.0

19. Brainstorming: "This festive season what's your idea to strengthen small businesses?"

20. NISP event: "One Day Awareness/ Mentoring session on IPR & IP Management for Innovation and Startups"

21. Eurekathon

22. Importance of an Early Start to Consistent coding Practice

23. NISP event : " Problem solving and Ideation- Design Thinking Process"

Certificates achieved by the students:

HOMEFLIC WEGROW

CERTIFICATE OF INTERNSHIP

We are happy to certify that SONAL JAISWAL has successfully completed a 3.5 Month(s) internship program from 24-05-21 to 09-07-21 at **Homeflic Wegrow Community Pvt Ltd** as Intern in **Sales & Marketing Department** and was actively and diligently involved in the project and tasks assigned to him/her.

We appreciate his/her hard work and dedication shown during the tenure of this internship. During his/her tenure of internship at Homeflic Wegrow, we found him/her to be extremely punctual and hard-working towards the work. He/She is a keen learner and picks up swiftly. Having him/her on board has been a great journey.

We wish for his/her bright future and successful career ahead.

INVENTIVA

29th October,2021

LETTER OF RECOMMENDATION

Sonal Jaiswal was an intern at Inventiva for two month ending **in October, 2021**. Her responsibilities included reaching out to startups via LinkedIn, facebook, social media, and initiating the conversation with interested candidates/startups and asking them to divulge their pitch for further consideration.

Sonal demonstrated commitment in her work. She is a bright and outgoing young woman who enjoys working with public. She performed exceptional work that went beyond internship requirements. She is highly motivated, an initiator and a quick learner. Her ability to coordinate with the team and her co-workers was impressive.

Her attention to detail is commendable. She is reliable, has the competency and experience needed as an Investment Analyst.

Even though She is no longer an intern at Inventiva, She is still seen as a colleague and highly respected. I am honored to write this letter of recommendation for **Sonal Jaiswal.**

Thank You

Your Faithfully,
