

MCKV INSTITUTE OF ENGINEERING

(An Autonomous Institute under UGC Act 1956,
Approved by AICTE & affiliated to MAKAUT)

(243, G.T.Road (N), Liluah, Howrah-711204, Ph.2654 9315/17)

INNOVATION & STARTUP POLICY

Vision

“To cater the needs of young student entrepreneurs with innovative ideas of social relevance and there by introducing a culture of entrepreneurship inside campus which will strengthen our education system and thereby promoting the national economical and social growth”

Mission

“To develop an ecosystem with required infrastructure that can enable students and faculty to innovate and prototype their potential ideas with industrial standards and support from Government, industry and reputed academic institutions around the world and help them to realize their potentials”

Short term Objectives

1. To help student groups to prototype their ideas.
2. To improve innovation, creative and design thinking among student community.
3. Incubation facility for faculty driven start-up and student/Alumni start-up.
4. Organize FDP, seminars and workshops, distinguish talks for students, Faculty and Alumni and promote entrepreneurial culture.
5. Strengthen institute industry interaction cell activity and effectively use the outcomes for achieving the mission.

Long Term Objectives

1. Associate with DST, CII, MSME and other academic institutions for transferring world class facility for MCKVIE IEDC activities.
2. Improve quality of research work among students and to attain patent which can be commercially used in production.
3. Provide a platform for students to develop innovative products with global recognition and generate business opportunities.
4. Generate revenues through consultancy work and student start-ups.
5. Spread awareness to students and faculty regarding IPR related activities.
6. Strategic partnership linkage with
 - (a) Entrepreneurship Development Institute of India(EDII), Ahmedabad
 - (b) National Innovation Foundation (NIF) of India to submit ideas and apply for schemes
 - (c) Procure fund from AICTE for Entrepreneurship Development Cell
 - (d) Commencement of Masters/MBA programs in Entrepreneurship

1. Committee Members

Sl. No.	Name	Role
1	Prof. (Dr.) Prasenjit Chatterjee, Dean (Research & Consultancy)	Chairman
2	Prof. (Dr.) Amit Phadikar, Prof. Dept. of IT	Coordinator
3	Mr. Nilay Kr. Nag, Assistant Prof., Dept. of CSE	Convener
4	Mr. Sumit Majumdar, Assistant Prof., Dept. of CSE	Social Media
5	Prof. (Dr.) Debapriya De, Controller of Examination	Member
6	Prof. (Dr.) Arghya Sarkar, Dean (Academic and Administration)	Member
7	Prof. (Dr.) Arun Kumar Jalan, Dean (Student Affairs)	Member
8	Mr. Sandeep Dutta, Head Training Placement Cell	Member
9	Dr. Joydeep Banerjee, Assistant Prof., Dept. of ECE	Member
10	Ms. Jayanti Mahata, Assistant Prof., Dept. of IT	Member
11	Mr. Soutrik Bose, Assistant Prof., Dept. of ME	Member
12	Mr. Diptayan Bhattacharyya, Assistant Prof, Dept. of HSS	Member
13	Mr. Tapas Kumar Biswas, Assistant Prof., Dept. of AUE	Member
14	Dr. Debopoma Kar Ray, Assistant Prof., Dept. of EE	Member
15	Mr. Sourav Ghorai, Assiatnt Prof., Dept. of Basic Sc.	Member
16	Dr. Tanushyam Chattopadyay, Principal Scientist, TCS, Kolkata	Industry Expert
17	Mr. Sumanta Laha, Founder Florigin Technology Pvt. Ltd.	Startup/Alumni Entrepreneur

2. Policy Problem or Thrust Area

Sl. No.	Plan
1	MCKVIE Strategies & Governance for Promoting Innovation & Entrepreneurship
2	Creating Innovation Pipeline and Pathways for Entrepreneurs
3	Building Organizational Capacity, Human Resources and Incentives
4	Collaboration Co-creation and Business Relationship and knowledge Exchange
5	Norms for Faculty & Students Driven Innovations and Start-ups
6	Incentivizing Faculty & Students for Entrepreneurship
7	Norms for Faculty Start-up
8	Incubation & Pre-Incubation support
9	IP Ownership Rights for Technologies Developed at MCKVIE
10	Pedagogy & Learning Interventions for Supporting Innovations & Start-ups
11	Entrepreneurial Performance Impact Assessment

3. Benchmark –KPI Monitor & Evaluation

Hierarchy of Objectives	Key Performance Indicators (KPIs)	Means and Verification
Vision	•5% Increase in Self-Employment Rate •5 Established Start-ups	• ARIIA, NIRF Rankings
Goal/Impact	•Enable Environment with multiple level of support for innovation & Entrepreneurship in MCKVIE •5% of Graduate students will choose Entrepreneurship as career •10% of Student and Graduates Practice Entrepreneurship	•Biannual Survey • ARIIA, NIRF Rankings

4. Tentative plan for the next 5 years

Sl. No.	Activity	Frequency
1	One Day Workshop on "Entrepreneurship and Innovation as Career Opportunity"	1/Year
2	One Day Workshop on Problem Solving/Design Thinking/Ideation Workshop/ Campus Hackathon etc	1/Year
3	Field/Exposure Visit to Village/Society /School/Industry/Market – Identity real Life Problem	1/Year
4	Special Talk on My Story - Entrepreneur's Life & Crossroad – Motivational Speak - To be Share by Entrepreneurs	2/Year
5	Product Development Phases - Story Telling - (Innovators in Campus)	2/Year
6	National Conference/workshop on Start-up/Social Innovation & Entrepreneurship	1/Year
7	Demo Day – Exhibition Cum Demo for PoCs & Mentorship Session for Innovators (or) Student Entrepreneurs	1/Year

8	Internship at Innovation & Start-up Centre/Start-ups/Incubation Unit etc. during Semester Break	1/Year
9	Field/Exposure Visit to Incubation Unit/Patent Facilitation Centre/Technology Transfer Centre	1/Year
10	Business Plan Contest	1/Year
11	One Day Awareness/Mentoring Session on IPR & IP Management for Innovation and Start-ups	1/Year
12	Field/Exposure Visit to Design Centre/Makers' Space/Fab Lab/Prototype Lab/Tinkering Lab etc	1/Year
13	Seminar on Accelerator/Incubation - Opportunity for Student Faculty - Early Stage Entrepreneurs	1/Year
14	Seminar on Understanding Angel and Venture Capital Funding - What is there for Early Stage Innovator & Entrepreneurs	1/Year
15	Bootcamp for Innovation product development	1/Year
16	Innovation Day Celebrations(Birthday of Dr.APJ)	1/Year
17	National Science Day	1/Year
18	Workshop Funding Opportunities for Innovation and Entrepreneurship Development	1/Year
19	MCKVIE Hackathon	1/Year
20	Short Term Training course on Innovation /Start-up & Entrepreneurship	1/Year
21	Innovation and Entrepreneurship Annual Day	1/Year

5. Program Implementation-Using Problem Tree and Policy Logical Tools

"To cater the needs of young student entrepreneurs with innovative ideas of social relevance and there by introducing a culture of entrepreneurship inside campus which will strengthen our education system and there by promoting the national economical and social growth"	} Vision
1. Associate with DST, CII, MSME and other academic institutions for transferring world class facility for MCKVIE IEDC activities. 2. Improve quality of research work among students and to attain patent which can be commercially used in production. 3. Provide a platform for students to develop innovative products with global recognition and generate business opportunities. 4. Generate revenues through consultancy work and student start-ups. 5. Spread awareness to students and faculty regarding IPR related activities. 6. Strategic partnership linkage with (a) Entrepreneurship Development Institute of India(EDII), Ahmedabad (b) National Innovation Foundation (NIF) of India to submit ideas and apply for schemes (c) Procure fund from AICTE for Entrepreneurship Development Cell (d) Commencement of Masters/MBA programs in Entrepreneurship	} Long Term Objectives

6. Equity shares and incentives for students and faculty

Incubation support: MCKVIE offers access to pre-incubation & Incubation facility to start ups by students, staff and faculty for mutually acceptable time-frame.

MCKVIE allows licensing of IPR from institute to start up: MCKVIE students and faculty members intending to initiate a start up based on the technology developed or co-developed by them or the technology owned by the institute, are allowed to take a license on the said technology on easy term, either in terms of equity in the venture and/or license fees and/or royalty to obviate the early stage financial burden.

MCKVIE also allows setting up a start up (including Social Start-Ups) and working part-time for the start ups while studying/working: MCKVIE allows their students/staff to work on their innovative projects and setting up start ups (including Social Start-Ups) or work as intern/part-time in startups (incubated in any recognized HEIs/Incubators) while studying/working. Student Entrepreneurs may earn credits for working on innovative Prototypes/Business Models. Student inventors will be allowed to opt for start up in place of their mini projects/major projects, seminars, summer trainings.

Students entrepreneurs are allowed to appear for the examination, even if their attendance is less than the minimum permissible percentage, with due permission from the institute.

MCKVIE allows their students to take a semester/year break (or even more depending upon the decision of review committee constituted by the institute) to work on their start ups and re-join academics to complete the course. Student entrepreneurs may earn academic credits for their efforts while creating an enterprise. Institute may set up a review committee for review of start up by students, and based on the progress made, it may consider giving appropriate credits for academics.

MCKVIE allows faculty and staff to take off for a semester/year (or even more depending upon the decision of review committee constituted by the institute) as sabbatical/unpaid leave/casual leave/earned leave for working on startups and come back. Institution also considers allowing use of its resource to faculty/students/staff wishing to establish start up as a fulltime effort. The seniority and other academic benefits during such period may be preserved for such staff or faculty.

MCKVIE facilitates the startup activities/technology development by allowing students/faculty/staff to use institute infrastructure and facilities, as per the choice of the potential entrepreneur in the following manners:

- i) Short-term/ six-month/ one-year part-time entrepreneurship training.
- ii) Mentorship support on regular basis.
- iii) Facilitation in a variety of areas including technology development, ideation, creativity, design thinking, fund raising, financial management, cash-flow management, new venture planning, business development, product development, social entrepreneurship, product costing, marketing, brand-development, human resource management as well as law and regulations impacting a business.
- iv) Institute may also link the startups to other seed-fund providers/ angel funds/ venture funds or itself may set up seed-fund once the incubation activities mature.

In return of the services and facilities, institute may take 2% to 9.5% equity/ stake in the startup/ company, based on brand used, faculty contribution, support provided and use of institute's IPR.

For staff and faculty, institute can take no-more than 20% of shares that staff / faculty takes while drawing full salary from the institution; however, this share will be within the 9.5% cap of company shares, listed above.

No restriction on shares that faculty/staff can take, as long as they do not spend more than 20% of office time on the startup in advisory or consultative role and do not compromise

LILUAH, HOWRAH-711204

with their existing academic and administrative work/duties. In case the faculty/staff holds the executive or managerial position for more than three months in a startup, then they will go on sabbatical/ leave without pay/earned leave.

In the case of compulsory equity model, Startup may be given a cooling period of 3 months to use incubation services on rental basis to take a final decision based on satisfaction of services offered by the institute/incubator. In that case, during the cooling period, institute cannot force startup to issue equity on the first day of granting incubation support.

If one or more of the inventors wish to incubate a company and license the product to this company, the royalties would be no more than 4% of sale price, preferably 1 to 2%, unless it is purely a software product. If it is shares in the company, shares will again be 1% to 4%. For a pure software product licensing, there may be a revenue sharing to be mutually decided between the institute and the incubated company.

The reward system for the staff and students includes sabbaticals, office and lab space for entrepreneurial activities, reduced teaching loads, awards, trainings, etc.

The recognition of the stakeholders may include offering use of facilities and services, strategy for shared risk, as guest teachers, fellowships, associate ships, etc.

A performance matrix will also be introduced for evaluation of annual performance.
