

2024 ANNUAL REPORT

MCKV INSTITUTE OF ENGINEERING

From the Desk of Chairman

It gives me immense pride to present the Annual Report 2024, marking a historic milestone in the journey of MCKV Institute of Engineering as we celebrated our 25th Foundation Year. What began as a vision in 1999 has today grown into a centre of excellence in technical education, research, and innovation—shaped by the unwavering dedication of our entire MCKVIE family.

This spirit of growth and unity was beautifully reflected in our Silver Jubilee celebration, “Pratibimb,” held on 7th September 2024 at Malay Manch. The presence of luminaries such as Prof. Bimal Kumar Roy, Dr. Uday Bandyopadhyay, and Mr. Ravi Sehgal elevated the occasion. We honoured excellence through the S. S. Kejriwal Memorial Awards,

recognizing academic toppers with medals and celebrating the commitment of our long-serving faculty and staff. These festivities weren’t merely ceremonial—they underscored our foundational values of perseverance, excellence, and collaboration that continue to guide our progress.

Building upon this momentum, we made significant strides in expanding our industry partnerships to enhance learning outcomes. One such momentous step was the signing of a Memorandum of Understanding with the Rail Authority of India on 8th November 2024. This collaboration aims to bridge the gap between academia and industry by creating avenues for student internships, research opportunities, and real-world exposure—ensuring our students are better equipped for future challenges.

Our evolving vision is also reflected in the vibrant campus life and academic excellence demonstrated throughout the year. Events like Utopia, the Annual Sports Meet, and initiatives by the Risers Club added energy and dynamism to our student community. Meanwhile, our faculty have continued to shine with notable achievements in research, higher education, and scholarly contributions—pushing the boundaries of knowledge.

As we reflect on a year of meaningful progress and celebration, I extend my heartfelt gratitude to all our faculty, staff, students, alumni, and stakeholders for their relentless effort and support. Let us carry forward the legacy of MCKVIE with renewed passion, staying rooted in our values and driven by innovation, as we step into the next chapter of our inspiring journey.

Let’s keep the MCKVIE spirit alive!

Mr. Kishan Kumar Kejriwal

Chairman

From the Desk of CEO

Greetings from the CEO, MCKV Institute of Engineering, India, Howrah, WB **Prof (Dr.) Parthasarathi Chakraborty**

MCKVIE is a leading institution of higher education, pursuing the exemplary mission of preparing young wo/men to achieve success in a rapidly changing, inter-connected world. MCKVIE was established in 1999 by the late Sir Shri SS Kejriwal in memory of his father and grandfather. He was a visionary and philanthropist who saw education as instrumental in augmenting India's growth as a modern nation in the post independence era. MCKVIE began its journey in a modest building at GT Road, Liluah, Howrah in West Bengal. We have come a long way since the humble beginnings of the nascent years. Today, MCKVIE is a known name in the heart of the Howrah City on a lush, beautiful campus with over 2500 students and 150 staff members.

Since its inception, MCKVIE has steadfastly sought to offer high-quality, transformative education to young minds. The institution has proven its mettle time and time again through innumerable achievements in academic and extracurricular activities. Our faculty members are highly accomplished in their respective fields. Our students win laurels at national and international platforms demonstrating incredible scholastic acumen and sporting ability. We participate in several international programs in collaboration with universities all over the country.

Social responsibility holds a very important place at MCKVIE. Students are encouraged to participate in community outreach initiatives that provide them opportunities to understand how they can contribute to fostering social justice. MCKVIE also has a robust needs-based free-ship and scholarship program for students to enhance equitable access to quality education.

IQAC-MCKVIE remained active in its attempts to enhance quality initiatives within the college. It conducted many short term training and workshops through different departments that was open to all in-service and pre-service teachers, teacher educators, research scholars and students.

With great happiness and pleasure, I herewith wish the annual report all the best of the MCKV Institute of Engineering for the year 2024-25. The College constantly strives towards excellence and has done significant progress at all levels; academics, research, innovations, and co-curricular activities. The College attempts to bring research and innovations even at the UG level and motivate the UG students for higher education. The academic spectrum and content delivery adopted by the College is in-lined with the needs of the industry and profession.

To prepare the true professionals who can take on the challenges of life and keep in tune with the fast changing world and Technologies, college ensures and cares about the overall development of the students. Students are nurtured, trained, and infused with the latest Technologies through well-equipped laboratories and good academic ambiances such as design work, project work, industrial training, professional society activities, and teamwork. The department maintains and exhibits a research culture through meaningful research and innovation carryout by the faculty member by involving not only Ph.D. /M. Tech students but also B. Tech students.

Students are exposed to and prepare for today's job market through expert lectures, visiting technical exhibitions, hands-on experience, model preparation, software learning, etc. in addition to regular and

rigorous classroom teaching by dedicated and experienced faculty. Students are also encouraged and assisted by the Departments to take part in national-level events to enhance their vision.

I take this opportunity to thank all of my learned colleagues and students for their untiring and wholehearted support in maintaining the academic standards with the vision to make the college a centre of excellence in the coming years. My best wishes to all of them in their future endeavors.

Prof (Dr.) Parthasarathi Chakraborty
CEO, MCKV Group

From the Desk of Principal

As MCKV Institute of Engineering (MCKVIE) completes 25 years of its inspiring journey, I feel a deep sense of pride reflecting on how far we have come since our inception in 1999. What began as a vision to nurture technical excellence has today flourished into a vibrant institution known for academic rigor, innovation, and holistic growth. Our Silver Jubilee celebration, *Pratibimb*, was a poignant reminder of the milestones, memories, and aspirations that have shaped MCKVIE over the years.

Through continuous evolution, MCKVIE has carved a distinct niche for itself. With accreditations like NAAC A Grade and NBA for several of our flagship programs, along with the conferment of Autonomous status, we have consistently demonstrated our commitment to quality education. Our recent collaborations — signing MoUs with the Indian Railways Institute of Signal Engineering and Telecommunications (Secunderabad), Infosys Limited, Intel, and becoming an EC-Council Academia Partner — have further strengthened our resolve to bridge the gap between academia and industry, and to empower our students with future-ready skills.

Our students' curiosity, creativity, and resilience inspire every initiative we undertake. From excelling in national competitions and research projects to engaging in community service and entrepreneurial ventures, they embody the values we stand for. Guided by a dedicated faculty and supported by a robust infrastructure, they continue to make us proud.

Looking ahead, we aspire to elevate MCKVIE into a leading research and innovation hub — fostering breakthroughs in areas like artificial intelligence, sustainable development, and emerging technologies. With stronger industry linkages, global academic partnerships, and a focus on nurturing socially responsible engineers, we are poised to shape a future that is inclusive, dynamic, and globally relevant.

I remain deeply grateful to our faculty, students, alumni, parents, and all stakeholders whose unwavering support has been the foundation of our success. Together, we will continue to build on this legacy and steer MCKVIE towards even greater heights.

Prof. (Dr.) Abhijit Lahiri
Principal

Message of the Newsletter and Annual Report Committee

With immense pride, we present the Annual Report 2024 of MCKV Institute of Engineering. This year is particularly special as MCKVIE celebrates 25 years of excellence in engineering education. This report encapsulates our institution's journey over the past year, reflecting our unwavering commitment to academic excellence, research innovation, and societal impact.

MCKVIE has continued to uphold its reputation as a center of excellence, embracing cutting-edge advancements in technology and pedagogy. Our faculty remains dedicated to nurturing students' intellectual and professional growth, ensuring they stay at the forefront of industry and innovation.

Beyond academics, our commitment to social responsibility remains steadfast. Through various outreach programs and initiatives, we actively address societal challenges and promote sustainable development. Our students and faculty play a crucial role in these efforts, reinforcing our ethos of responsible engineering and leadership.

The Annual Report 2024 highlights the remarkable achievements of our students, faculty, and alumni. Once again, our students have excelled in national and international competitions, research endeavors, and industry collaborations, bringing pride to the institution.

This report is the result of the dedicated efforts of our committee members, who meticulously compiled and organized extensive data. A special note of appreciation goes to Swastik Ghosh and Argha Biswas, third-year students of Computer Science and Engineering (Data Science), for designing the cover page.

As we celebrate 25 years of excellence, MCKVIE continues to inspire, innovate, and lead, setting new benchmarks in engineering education.

Highlights

The 26th Foundation Day Celebration was held at the MCKVIE Campus on 3rd September 2024. The highlight of the program was the Puja (Havan) ceremony, which took place on the ground floor of the Department of Automobile Engineering, Workshop – BLOCK B. Shri Kishan Kumar Kejriwal, Chairman of MCKV Group of Institutions, performed the Puja rituals. Prof. (Dr.) Abhijit Lahiri, Principal, Prof. (Dr.) Partha Sarathi Chakraborty – CEO of MCKV Group of Institutions, Prof. (Dr.) S. S. Thakur, Chairman of the 25-Year Silver Jubilee Celebration, all the deans, head of the departments and other staff members of MCKV Institute of Engineering, Liluah, were present on the occasion. A total of 56 staff members were felicitated for completing 10 years of continuous and dedicated service to the institution.

Havan Ceremony on 3rd September, 2024

Celebration of 26th Foundation Day by cutting Cake

Felicitating Staff member by Chairman and Principal

MCKV Institute of Engineering celebrated its Silver Jubilee, “Pratibimb,” on 7th September 2024 at Malay Manch, marking a milestone of growth, achievement, and impact in education, research, and community service. The occasion was graced by Honorable Chief Guest Prof. Bimal Kumar Roy, former Director of ISI Kolkata, Guest of Honor Dr. Uday Bandyopadhyay, Sir J.C. Bose National Fellow (DST) at Bose Institute, Kolkata, and Mr. Ravi Sehgal, Managing Director of Carnation Industries Ltd. The prestigious Mr. S. S. Kejriwal Memorial Awards honored the highest achievers for their exceptional academic performance. Departmental Toppers received Silver Medals, while the Institutional Topper from the First Autonomous Batch, Mr. Sayan Kumar Dutta (B.Tech CSE 2020-2024), was awarded the Gold Medal. The Chairman of MCKV Group of Institutions felicitated Mr. Ajoy Ghosal (ECE), Mr. Supriyo Das (CSE), and Mr. Tushar Kanti Dey (Basic Science & Humanities) for their 25 years of dedication, professionalism, and perseverance. He also recognized the invaluable contributions of Mrs. Minati Das, Mrs. Bharati Halder, and Mrs. Chhaya Mondal, whose kindness and unwavering support have positively impacted the MCKVIE community. MCKV Institute of Engineering honored Long-Serving Academicians, Notable Contributors, and distinguished Corporate HR Managers for their invaluable contributions. Prof. (Dr.) Parasar Bandyopadhyay was felicitated for his 14 years of dedicated service as Professor, Principal, and Director, while Mr. P. K. Guha was recognized for his long-term support in AICTE-related matters since the institution's inception. Renowned HR professionals from Capgemini, NRI Fintech, Alumnus SW Ltd., CTS, TCS, Pinnacle InfoTech Solutions, and Voltas Ltd. were

also acknowledged for their role in recruiting students and fostering their professional growth. As part of the Silver Jubilee celebration, dignitaries officially released the college magazine, showcasing 25 years of history, milestones, and achievements, with contributions from distinguished members, alumni, staff, and students.

Glimpses of Pratibimb

Campus News

MOU Signed

MCKV Institute of Engineering signed MOU with Rail Authority of India on 8th November, 2024.

MOU Sign with Rail Authority of India

SIH 2024 Grand Finale

Samrat Hazra, Subarna Pal, Sucharita Saha, Arpita Sarkar from EE 2nd year along with Aritra Kole and Bipratip Panja of EE 3rd year were selected to participate in and demonstrated their project at the Grand Finale of the Smart India Hackathon 2024, organized by the Ministry of Education, Government of India, held at GITAM University, Vizag from 11th December to 15th December, 2024. The team developed an AI based real time automatic solar panel cleaning system under the guidance of Mr. Sudeep Samanta, Assistant Professor, EE department, MCKVIE. Dr. Soumyajit Ghorai of Basic Science accompanied them.

Students Participation in SIH 2024 Grand Finale

Higher Degree Received

Mrs. Mahua Nandy Pal, Asst. Prof of CSE Department has been awarded PhD degree w.e.f. 16th February 2024 from MAKAUT.

Mr. Sougata Majumder, Asst. Prof. of MSH Department has been awarded PhD degree w.e.f. 23rd June 2024 from Calcutta University.

Mr. Firoze Basu, Asst. Prof. of MSH Department has been awarded PhD degree w.e.f. 26th June 2024 from Calcutta University.

Mrs. Sasmita S Choudhury, Asst. Prof of CSE Department has been awarded PhD degree w.e.f. 31st July, 2024 from KIT.

Mrs. Soma Chatterjee, Asst. Prof of CSE Department has been awarded PhD degree w.e.f. 25th November, 2024 from Jadavpur University.

Award Received

Dr. S. S. Thakur and Ms. Rachita Ghoshhajra have been awarded as "**Eminent Educator of the Year**" by All India Eminent Faculty Council of engineering, management and Technology on 5th July, 2024 at Saltlake.

Mangal Singh has been awarded a Certificate as a Certified International Mentor with I2OR India. Certificate no.: I2OR/IMP/185 in the month of September, 2024.

Annual Events

Utopia 2024

The Annual Cultural Fest of MCKVIE **Utopia 2023** was held during 18th to 19th January, 2024. The festival was a vibrant celebration of talent and creativity, offering something for everyone. From mesmerizing singing performances by the Octet to high-energy inter-college dance competitions like "Flight of Feet," the event was a showcase of artistic excellence. Enthusiasts also got to witness thrilling signing competitions and a dazzling college fashion show, "Style Symphony." Adding to the excitement, the festival featured a star-studded lineup, including a captivating solo performance by Senjuti Das, a dynamic band performance by TRAP, and an electrifying DJ night by DJ Skullz, ensuring an unforgettable experience for all attendees.

Utopia 2024

Sports and Games

The Annual Sports and Games-2024 was held from 9th to 11th February, 2024. The events included Football, Cricket, Badminton, Carom, Table-Tennis, Shotput and Basketball.

Sports and Games 2024

Technotica

Intra College Technical Competition **Technotica** 2023-2024 jointly organised by MCKVIE and IET(UK) Kolkata Local Network in collaboration with IIC, MCKVIE was held on 29th February, 2024.

Technotica 2023- 2024

Pragati 2024

The Annual Technology Fest of MCKVIE Pragati 2024 was held during 6th to 8th March, 2024. The event was technically sponsored by IET (UK) Kolkata Local Network. Robotics, Treasure Hunt, Quiz, Innovation Competition, Coding, Computer Gaming, Engineering Design, Technical Poster Presentation was held in the Tech fest.

Ascent 2024

Students' Farewell Function Ascent 2024 was organized on 28th June, 2024.

Ascent 2024

Orientation program

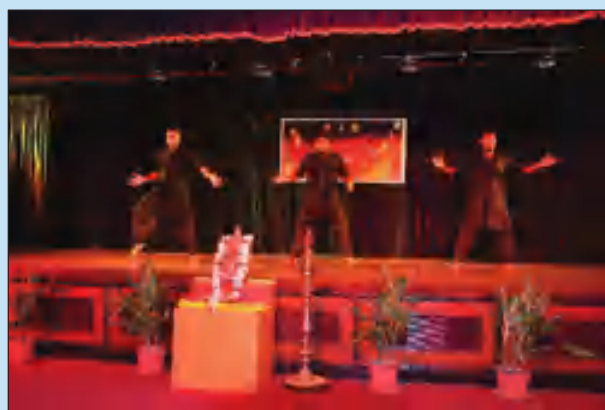

This year, the GENESIS Orientation program for newly admitted B.Tech, M.Tech, MBA, and B.Voc students at MCKV Institute of Engineering took place on 18th August, 2024 Malay Manch. Both students and their guardians were invited to the event. The program featured Prof. Bhaskar Gupta, Vice Chancellor of Jadavpur University, as the Chief Guest, and Swami Vedanisthananda Maharaj, a member of the Ramakrishna Mission Institute of Culture, Golpark, as the Guest of Honor.

Patent Published

Mr. Suman Das has published a patent paper titled "**Flex-Sensor Bending Mechanism by Stepper Motor and CAM**" in the Official Journal of the Patent Office, Issue No. 17/2024, dated 26th April, 2024, Part-I, on Page 39685, with Patent Application No. 202431021058.

The patent titled "**A Machine Learning, Blockchain, and Data Warehousing Integrated Secure Data Management System**" was published in Journal No. 21/2024, with inventors Dr. Santanu Koley, Dr. Chiranjib Chakravarty, Dr. Manojit Bhattacharya, Dr. Santanu Modak, Pranabes Gangopadhyay, Brijit Bhattacharjee, **Soma Chatterjee**, Sohini Paul, Dr. Indradip Banerjee, and Dr. Shibakali Gupta. The application was filed on 13th May, 2024, and published on 24th May, 2024.

The patent titled "**Prototype of Detachable Smart Helmet Using CPS (Cyber Physical System) for Accidental Impact Severity Detection and Geographic Location Tracking and Method Employed Thereof**" was published in Journal No. 22/2024, with Application No. 202441039974 A. The inventors include Milan Kumar Dholey, **Dr. Shibaprasad Sen**, Dr. Biswajit Ghosh, Dr. Tanmay Bhattacharya, Priya Saha, and Manab Kumar Saha. The application was filed on 22nd May, 2024, and published on 31st May, 2024.

The patent titled "**Innovative ECG Machine**" (Application No.: 202431049136 A), filed by MCKV Institute of Engineering, was published on 5th July, 2024, with inventors **Arka Pravo Dutta**, **Pramit Bhar**, **Koushik Mukherjee**, **Subhradeep Ganguly** (CSE-DS, 2020-2024), **Prof. (Dr.) Debabrata Datta** (Adjunct Professor, CSE), and **Mr. Prasenjit Das** (Assistant Professor, CSE).

The patent titled "**An Improved Adaptive Human-Computer Interaction System with Machine Learning Interface**" was published in Journal No. 28/2024, with Application No. 202431050149 A. The inventors include Dr. Santanu Koley, Dr. Sohail Saif, **Dr. Shibaprasad Sen**, Dr. Deepak Kumar, Dr. Nabanita Das, Dr. Brajesh Kumar, Amarendra Kumar, Susmita Biswas, and Subarna Roy. The application was filed on 1st July, 2024, and published on 12th July, 2024.

The patent titled "**System and Method for Dynamic Data Analysis and Automation Based on Adaptive Machine Learning Models**" was published in Journal No. 32/2024. The inventors include Santanu Koley, Dr.

Dhrubajyoti Ghosh, **Soma Chatterjee**, Sohini Paul, Chandni Bansal, Dr. Chetan Gondaliya, Dr. Abhishek Parikh, Dr. Anil Shankar Jadhav, Dr. Seema Sahai, and Arpan Adhikary. The application was filed on 21st July, 2024, and published on 9th August, 2024.

The patent titled "**A System and Method for Dynamic Beam Forming in Next-Generation 5G and Beyond Wireless Networks**" was published in Journal No. 35/2024 with Application No. 202431063260. The inventors include Dr. Santanu Koley, **Dr. Subro Santiranjan Thakur**, Dr. Shantanu Dutta, **Dr. Soma Bandyopadhyay**, Dr. Somnath Patra, Dr. Venkata Raghavendra Miriampally, Priti Ashok Jain, Dr. Kousik Roy, and Dr. Nilanjan Mukhopadhyay. The application was filed on 21st August 2024, with publication on 30th August, 2024.

The patent titled "**A Decentralized Cloud Storage System with Blockchain and Quantum-Resistant Encryption for Enhanced Data Security**" (Application No.: 202431063259 A) was published in Journal No. 35/2024 with inventors Dr. Santanu Koley, Jayashri Deb Sinha, Dr. Raja Rawat, Dr. Mrinmoy Sen, **Dr. Deep Suman Dev**, Sunanda Jana, Dr. Dipankar Dutta, Aratrika Banerjee, Mamani Bandyopadhyay, and Hidam Rameshwar Singh, and was filed on 21st August 2024, with publication on 30th August, 2024.

The **UK Design Patent** for "**Fan-Less Box Computer**" was granted under Design Number: 6402762 and includes inventors Dr. Sultan Ahmad, **Dr. Subro Santiranjan Thakur**, Priti Ashok Jain, Dr. Chiranjib Chakravartty, Monojit Manna, Dr. Ujjal Sur, **Dr. Soma Bandyopadhyay**, Dr. Utpal Nandi, Sudan Jha, and Dr. Santanu Koley. The application was filed on 6th November, 2024 and the patent was published on 20th November, 2024.

Ph.D Guidance

Mr. Soumya Chatterjee has been enrolled as a provisional PhD scholar in ECE discipline under the supervision of **Dr. Rajarshi Sanyal**.

Enrolled /Registered/Submitted for Higher Degree

Ms. Rachita Ghoshhajra has been granted registration for PhD program in CSE Dept, MAKAUT on 29th April, 2024.

Ms. Mahua Raha Patra has enrolled as a PhD scholar at Techno India University on 14th November, 2024.

Paper Presented

Deep Chakraborty, Shubham Gupta, Diptanshu Ghosh, Ankit Purakayastha, Paromita Chakraborty & Anwesa Das presented a paper "Deep learning Method in Object Detection: R-CNN to Mask R-CNN" in the International Conference on IOT & Its Applications (ICIA-2024) organised by NIT Jamshedpur on 22nd June 2024.

Abhijit Dutta, Debangana Bhattacharjee, Rajarshi Ghosh, presented the paper titled "Thermal Behaviour of a 3D Printing Nozzle", at the International Conference on Advanced Innovations in Engineering, Science and Technology (AIEST-2024), during 28th to 29th October 2024.

Poster Presented

Chattopadhyay, A., Ghorui, B., Baital, M., Kar Ray, D., Roy, T., Chattopadhyay, S. (2024). Partial Shading analysis in grid tied PV system, in proceedings of Poster presentation competition, organized by Techno India IET Student Chapter at Techno India Salt Lake Campus on 13th January, 2024, under the guidance of Dr. Tamal Roy, Dr. Debopoma Kar Ray.

Pal, S., Dey, S., D., Roy, T., Chattopadhyay, S. (2024). Traction system inter-turn short assessment using Wavelet Transform, in proceedings of Poster presentation competition, organized by Techno India IET Student Chapter at Techno India Salt Lake Campus on 13th January, 2024, under the guidance of Dr. Tamal Roy, Dr. Debopoma Kar Ray.

Dig, M., Ghosh, R., D., Roy, T., Chattopadhyay, S. (2024). WAG12 locomotive fault assessment using Machine Learning Technique, in proceedings of Poster presentation competition, organized by Techno India IET Student Chapter at Techno India Salt Lake Campus on 13th January, 2024, under the guidance of Dr. Tamal Roy, Dr. Debopoma Kar Ray.

Co-curricular Activities by the Students

Banani Manna, Shreya Dey of EE 4th year received the first prize at “INNOVISION 2024”, an innovative model presentation based poster presentation competition of the 3rd International Conference on Control, Instrumentation, Energy & Communication (CIEC 2024) conference, under the auspices of Centenary Celebration of the Department of Applied Physics, University of Calcutta, Kolkata, India on 27th January, 2024 for their realistic innovative model on "Smart Parallel Wireless Switching System Design for Automated Home" under the guidance of Dr. Tamal Roy, Dr. Debopoma Kar Ray and Mr. Santanu Maity.

Mr. Anubhav Mukherjee of CSE-4th Year Speaker for the 13th Anniversary Celebration of FSAI Kolkata Chapter to be held on the 20th January, 2024 at Lalit Great Eastern, Kolkata.

A Talk on “AI Ashirbad Na Abhishap” presented by Subhadip Neogi & Supratim Dey, students of IT 6th semester at Konnagar Science Fair on 26th January, 2024.

Supriyo Ghosh of CSE 3rd Year and Arijit Saha of IT 3rd year have successfully completed Internship program from U R Rao Satellite Centre (URSC), Bengaluru in the month of February 2024.

Supriyo Ghosh and Arijit Saha at URSC, Bengaluru

Anubhab Mukherjee and Pavel Ghosh: Champion of the 'Present Around the Network'

Shounak Sarkar & Priyam Pal of AIML 6th semester won the 1st position at Data Analysis Hackathon “Data Draft” organised by Jadavpur University.

Three students of MBA Department namely Surya Prakash Mishra, Rohit Prasad and Tathagata Biswas achieved Second Position in the Business Plan Competition organized Swami Vivekananda University on 19th February 2024.

Meghana Choudhary of CSE final year reached to the final round of debate competition ‘Speak for India’ organised by Federal Bank and The Telegraph. The final was held at Calcutta Medical College on 1st march, 2024.

Meghana Choudhary of CSE final year reached to the final round of debate competition ‘Speak for India’

Anubhab Mukherjee and Pavel Ghosh of CSE final year became Champion in Present Around the Network 2024 which was held during 16th to 17th March 2024.

Dhritiman Chakraborty and Rangan Jana, final year students from AUE department successfully completed Student Internship program at TATA MOTORS in Jamshedpur during 5th February to 4th April, 2024.

Deep Chakraborty & Subham Gupta of AIML 6th semester won 1st prize in Project Contest organized by ACM Kolkata on 4th May 2024.

Twenty two students of 3rd year Automobile Engineering successfully completed Internship-3 from BOSCH -MCKVIE Joint certification centre during the period on 13th March to 13th June, 2024.

Soumyadip Jana and Mainak Mukherjee of CSE DS 2025 POB completed Internship Project Work in Vikram Sarabhai Space Centre, Thiruvananthapuram.

Tanmoy Pradhan of CSE DS 2025 POB and Meghana Choudhary of CSE 2025 POB completed internship Training at Satish Dhawan Space Research Centre SHAR, Sriharikota on 16th September 2024.

2nd Year AUE students, Aditya Shrivastava, Spandan Banerjee and Priyanjan Majumdar successfully completed the Innovation Leadership Program (ILP) Phase2 & Phase 3 at MCKVIE, conducted by the Innovators' Garage and Mahindra Technical Academy, Chennai.

Twelve students of final year Automobile Engineering Department successfully completed 15-day summer internship program at the VECV Plant in Pithampur, Indore during 15th July, 2024 to 31st July, 2024.

Achievements of Faculty and Staff members in NPTEL:

Mr. Milan Chakraborty of BSC department participated in **Three Months** online Faculty Development Programme on “Fuzzy Sets, Logic and Systems & Applications” organized by **NPTEL (AICTE)**, completed on 12th April, 2024. He has been awarded as Faculty Topper in NPTEL course “Fuzzy Sets, Logic and Systems & Applications” with a Consolidated Score: 100% (Elite + Gold Medal Certification) on 8th May 2024.

Ms. Saptami Roy Chowdhury participated in an Eight-Week online Certification Program on “*Matrix Analysis with Applications*” organized by NPTEL from **22nd August to 13th September, 2024**.

Ms. Jayanti Mahata successfully completed 8-week NPTEL Online course on “**Introduction to Machine Learning**” from **July to September, 2024**.

Ms. Priyanka Dhar successfully completed the FDP on "Cost Accounting" by NPTEL from 22nd July 2024 to 16th August 2024, with the exam conducted on **22nd September 2024**, and earned an Elite + Silver Certificate from NPTEL.

Mr. Sourav Ghorai participated in an Eight-Week NPTEL Course on “*Numerical Methods*” organized by the Indian Institute of Technology Roorkee, completed on **30th September, 2024**.

Mr. Suman Mitra, Ms. Anwesa Das successfully completed 12 Week NPTEL online course on “**Machine Learning and Deep Learning- Fundamentals and Applications**” from July to October, 2024.

Dr. Shampa Sengupta and **Mr. Arindam Das** successfully completed 8-week NPTEL Online course on “**Big Data Computing**” from August to October, 2024 and secured the topped position.

Mr. Soham Goswami completed three NPTEL courses- “**Cyber Security and Privacy**”, The Joy of Computing Using Python and Ethical Hacking in July to October Session.

Dr. Supriya Das has scored 90% in the 12-week NPTEL Course of "**Carbon Accounting and Sustainable Designs in Product Lifecycle Management**", placed her in the top 2%, during the month of October 2024.

Mrs. Saptami Roy Chowdhury has scored 91% in the NPTEL Course of "**Mathematics for Machine Learning**" and is in the top 5%, during the month of October 2024.

Mr. Prasenjit Das is awarded as Top Performing Mentor for the "**Programming, Data Structures and Algorithms Using Python**" & "**Programming in JAVA**" in NPTEL Online courses Jan-June 2024.

Dr. Dipankar Ghosh in "**The Joy of Computing using Python**" and **Dr. Abhijit Pramanik** in "**Soft Skill Development**" awarded as Top Performing Mentor in NPTEL Course (2024 Even Session).

Interaction with Outside World

Mahua Nandy Pal played a role as a Program Committee Member, 8th International Conference on Emerging Applications of Information Technology (EAIT 2024) held during 11th to 13th January, 2024.

Dr. Soumyajit Das acted as Session Chair in the conference on “Digital Marketing: Exploring The Nuances of Digital Marketing Boon or Bane” by Knowgen Education Services Private Limited, at Kolkata Lake Club on **23rd February 2024**.

Dr. Mahua Nandy Pal served as Technical Program Committee Member, 3rd International Conference on Advanced Computing and Applications (ICACA-2024), jointly organized by Computer Society of India, Kolkata and CSE(AI ML) & CSE(DS) at Techno Main Salt Lake, Kolkata, India during 23rd to 24th February, 2024.

Dr. Mahua Nandy Pal delivered Keynote Speech in 2nd Doctoral Symposium on Human Centered Computing (Human - 2024), jointly organized by Computer Society of India, Kolkata Chapter and Sister Nivedita University, West Bengal on 31st March 2024. She was the Session Chair and Judge also in the event.

Dr. Mahua Nandy Pal was the Session Chair and Judge in 1st Global Conference on Applications of Artificial Intelligence and Data Science (AAIDS-2024), organized by UEM, Jaipur and held at Imperial College, London, UK on 4th April, 2024.

Dr. Mahua Nandy Pal was the Speaker in the 5-day FDP on Quantum Computing at St. Thomas' College of Engineering and Technology, West Bengal on 14th May, 2024.

Dr. Mahua Nandy Pal was the Session Chair and organizing Committee member of National Symposium on Electronics, Communication and Computing (ECC 2024, IETE, Kolkata), organized by IETE, Kolkata Centre in association with CSI, Kolkata Centre which was held on 15th July, 2024.

Dr. Mahua Nandy Pal was the Resource Person at Five-Day International FDP on "AI for Business – Now and Beyond Industry 4.0”, organized by Faculty of Management Studies (FMS), Dr. B. C. Roy Engineering College, Durgapur, West Bengal during 22nd to 26th July, 2024.

Dr. Soumyajit Das acted as a Session Moderator in the International Seminar on "Artificial Intelligence: Applications and Misapplications" held on 27th July 2024 at Calcutta International Club.

Dr. Arindam Ghosh delivered an invited lecture on "Research Ethics and Human Resource Development" at the Ali Yavar Jung National Institute of Speech and Hearing Disabilities (Divyangjan) (AYJNISHD), Kolkata, the apex body under the Ministry of Social Justice and Empowerment, Government of India, on 9th August 2024.

Dr. Mahua Nandy Pal was the Session Chair of Human Centric Smart Computing, 2024 UEM, Jaipur held on 26th July, 2024. She was also the Session Chair of International Conference on Technology Advances for Green Solutions and Sustainable Development (ICT4GS-2024), NIST University, Berhampur, Odisha on 10th August, 2024.

Dr. Deep Suman Dev served as Advisory Committee member of Short-Term Course on "Web Page Development" organized by Pailan College of Management & Technology.

Dr. Shibaprasad Sen served as Judge in HackSpire'2024 organized by Future Institute of Engineering and Management on 12th September, 2024.

Dr. Shibaprasad Sen served as Judge at Internal Hackathon'2024 organized by Techno Main Salt Lake on 18th September, 2024.

Dr. Shibaprasad Sen served as Track Chair of 3rd International Conference on Data, Electronics and Computing (ICDEC-2024), jointly organized by Erciyes University, Talas, Kayseri, Turkey & COMSYS Educational Trust, Kolkata, India held during 18th to 20th September, 2024.

Dr. Mahua Nandy Pal was the Resource Person in the Faculty Development Program on "Quantum Computing and Cryptography", organized by G.H. Rasoni College of Engineering, Nagpur during 23rd to 27th September, 2024.

Dr. Mahua Nandy Pal was the Session Chair - Global Conference on Next-Gen Artificial Intelligence and Machine Learning (NGAIML-2024) in a hybrid format on 5th and 6th October 2024 at NIST University, Berhampur, Odisha. She was also the Session Chair of Aiest 2024, Abacus Institute of Engineering and Management, Mogra, 29th October, 2024.

Dr. Shibaprasad Sen served as Technical Program Committee member of 5th International Conference on Frontiers in Computing and Systems (COMSYS-2024), jointly organised by BITS Pilani K. K. Birla Goa Campus, Goa, India and COMSYS Educational Trust, Kolkata, 13th to 15th December 2024.

Dr. Shampa Sengupta chaired a session in Springer 3rd International Conference on Innovation in Data Analytics organized by ECMT, WB, India from 18th December to 19th December, 2024.

Dr. Arindam Ghosh delivered an Invited Lecture at the Institute of Advance Education & Research, Kolkata on "Performance Management: The Present Industrial Practices".

Paper Presented:

Dr. Soumyajit Ghorai of the BSC Department presented a paper at the National Conference on *"Intelligent Systems & Security Challenges in Industry 5.0"*, organized by WBSC and IEI from **24th to 25th January 2024**.

Mr. Milan Chakraborty of the BSC Department presented a paper at an International Conference on "Analyzing Green Promotion Strategy and Consumer Channel Preference in a Stochastic Dual-Channel Supply Chain Framework", organized by Kazi Nazrul University from **6th to 7th March 2024**.

Seminar / Workshop / FDPs Organised:

On **15th January 2024**, **CSE Department** of MCKVIE, in collaboration with **Maritime University, Haiphong city, Vietnam**, organized an **International Webinar "Deep Dive into Deep Learning: An International Webinar with Hands-on Demos"** by **Dr. Tien Anh Tran, Vietnam Maritime University**. Audiences were the faculties and students of the department.

On **29th January 2024**, **Students of the Automobile Engineering Department, MCKVIE** organized **"World Automobile Day"**. Students and staff members of the AUE department were present there.

From **29th January to 2nd February 2024**, the **Basic Science department** in collaboration with the **Electrical Engineering department** of MCKVIE organized a workshop titled **“Solar Solutions: Powering a Greener Tomorrow”**. The primary focus of the workshop was to impart valuable insights and knowledge about solar solutions to the B.Tech. second-semester students. The workshop comprised of informative lectures, complemented by a plant visit, offering students a firsthand experience with the functionality of solar panels installed in their own institute premises.

Workshop Organised by BSc and EE Department on Solar Solutions: Powering a Greener Tomorrow

The *Invited Lecture* on **“Corporate Tax Planning and Management”** was held on **8th February, 2024**. The session was conducted by Mr. Debtanu Chakraborty (CA, CS), Regional Business Head – Blue Star Ltd., and was attended by students from the MBA 2022-24 and 2023-25 batches.

On **16th February 2024**, a course on **"AutoCAD, CATIA, SolidWorks a 3D modelling program"** started by the **Automobile Engineering Department**. 15 students are doing this training program.

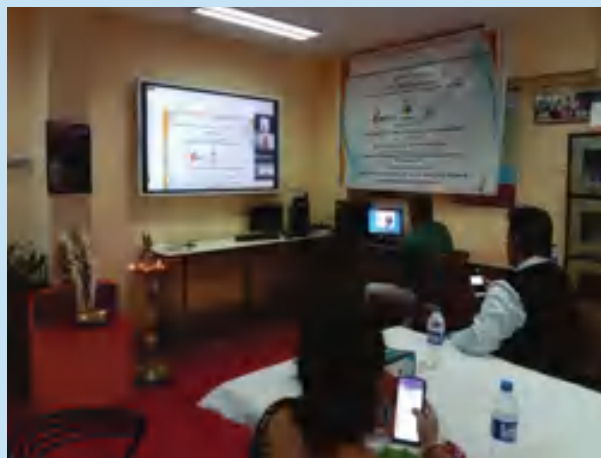

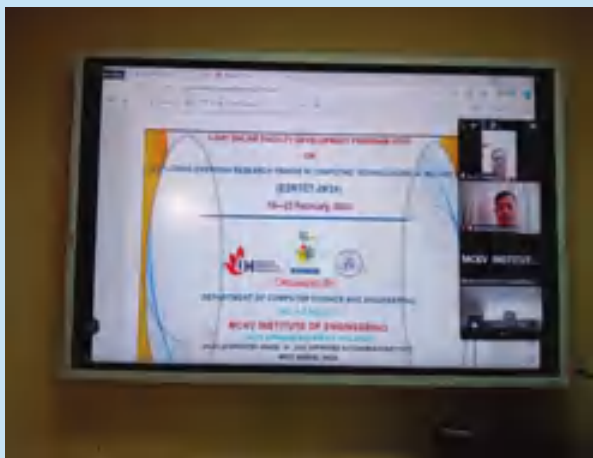

On **19th February 2024**, the **Automobile Engineering department** organised a **Training session on BS VI Technology in "Running on Wheels"**. Students of Automobile Engineering successfully attended this training session, delivered by personnel from VECV.

On **19th February 2024**, the **Department of Information Technology (IT)** organized an **Alumni Interaction** on **“Engineering Students Readiness for Industry and Emerging Technologies”** by our Alumni Ms. Ahana Basu, Senior Test Engineer of Cognizant Technology Solution.

ALCCE of CSE organized a **3-Day Workshop on Navigating the IoT Realm** for CSE, CSE-DS, CSE-AIML 2nd-year students from 8th to 10th and 19th February, 2024. There were **22 participants**.

On **20th February 2024**, the **Automobile Engineering department** successfully organised a **lecture session** on **"Tyre Care and Safety"** for students in collaboration with VECV. The speaker of the session was **Mr. Ajay Shah, Founder and CEO VEDD Consultant, Former Head (Training), JK Tyre and Industries Limited**.

From 20th to 22nd February 2024, the CSE Department of MCKVIE, in collaboration with Industrial University of Ho Chi Minh City, Vietnam, and technically sponsored by IETE Kolkata Centre, organized a 5-day Faculty Development Program (FDP) on Exploring Emerging Research Trends in Computing Technologies: AI, ML, and IoT (E2RTCT-2K24). The speakers were Dr. Bui Thanh Hung, IUH, Vietnam, Prof. Nandini Mukherjee, Jadavpur University, Prof. Sarbani Roy, Jadavpur University, Prof. Sankhayan Choudhury, Calcutta University, Dr. Nguyen Chi Kien, IUH, Vietnam, Dr. Le Pham Tuyen, IUH, Vietnam, Dr. SK Hafizul Islam, IIIT Kalyani, Dr. Arup Kumar Pal, IIT (ISM) Dhanbad, Dr. Jitesh Pradhan, NIT Jamshedpur, and Dr. Ngo Huu Dung, IUH, Vietnam. The audiences included faculty members of the AICTE approved institutions, PG/Research Scholars, participants from Government, Industry, and Staff members of host institutions.

Online FDP on Exploring Emerging Research Trends in Computing Technologies :AI, ML and IoT(E2RTCT-2K24)

From 20th to 22nd February 2024, the ECE department organized a **Lecture Series: "Recent Trends in Photonics, Microelectronics and Communication 2024"** in association with IET UK Kolkata, with Prof. Partha Roy Chaudhuri, IIT KGP, Prof. Sanatan Chattopadhyay, CU, Prof. Monojit Mitra, IEST, Shibpur as the speakers. ECE, EC-VLSI 6th semester students were the participants.

On 21st February 2024, the Automobile Engineering department organised an **Alumni Interaction Session on the topic of "Performance Modelling of Electric Vehicles and Development of Range Extension Strategy"**. Mr. Rittik Das (Alumnus of Automobile Engineering) gave the lecture on the above topic, which was attended by 2nd year and 3rd year B.Tech in Automobile Engg. Students and 2nd year B.Voc students.

The MS Department in collaboration with AIMA and CMA, organized the event **"The Indian Century: Managing Growth with Transformation"** on 22nd February 2024 where distinguished speakers Mr. Vibhor Tandon and Dr. Arijit Banerjee shared insights on managing growth through transformation with dignitaries from CMA and students from the B.Tech and MBA 2022-24 and 2023-25 batches.

The EE Department organized a Lecture series on **"Condition Monitoring in Power System Network"** with speakers **Dr. Aavek Chattopadhyaya**, Assistant Professor, EE Department, GNIT, **Prof. (Dr.) Sivaji Chakravorti**, Professor, EE Department, JU, on 16th February, 2024, and **Prof. (Dr.) Akhtar Kalam**, Professor, EE Department, Victoria University, in online mode on 23rd February, 2024.

From **26th to 28th February 2024**, the **Department of Basic Science** organized a workshop on **“Paving Way to Innovation”** for all **B.Tech first-year students**. The workshop implanted the seeds of innovation within 500 first-year students through engaging lectures, discussions, and hands-on activities.

Workshop on Paving Way to Innovation

From **27th to 29th February 2024**, the **Department of Information Technology** organized a **Three-day Lecture series** on **“Advanced Computing with Innovation: Powering The Future”**.

On **28th February 2024**, the **Department of Information Technology** organized an **Expert Lecture on “Cloud Computing”**. The eminent person of the talk was **Mr. Shouvik Sarkar, AI and IOT Head of Ardent Technology**.

On **1st March 2024**, the **Automobile Engineering Department** organized an interaction program with the **Head of Mahindra & Mahindra** and his team. They visited the **Innovation Cell** of MCKVIE and the department.

From **4th to 5th March 2024**, the **Basic Science department** organized a workshop on **“Quantum Computing”**, which spanned two enriching days. The primary aim of the workshop was to raise awareness about quantum computing, heralded as the frontier of computing technology. Attended by students from various departments of MCKVIE, the event featured distinguished speakers from renowned institutions who shared their expertise on different aspects of quantum computing.

Workshop on Quantum Computing organised by BSc Department

On **8th March 2024**, **Mr. Diptarup Choudhury**, General Manager - HR at **Frostees India Pvt. Ltd.**, gave a talk on **"HR: The Catalyst of Change Management"**. The **MBA students** from the **2022-24** and **2023-25** batches participated in the event.

On **13th March 2024**, the **Department of Information Technology** organized a **Technical Workshop in collaboration with Euphoria GenX** on **“Mern Stack Development”**.

On 14th March 2024, the Department of Information Technology organized an Expert talk on “Deep Transfer Learning for Brain Tumor Classification: Hands-On”. The eminent person of the talk was Dr. Jitesh Pradhan, Assistant Professor of Computer Science and Engineering, NIT Jamshedpur.

On 14th March 2024, the Basic Science department in collaboration with Mathematics Club of MCKVIE organized a workshop “ π -Day Math Fiesta: Uncovering Everyday Mathematical Wonders” on International π -Day.

Workshop on π -Day

On 14th March 2024, Mr. Shamik Halder, Head of Service Orchestration at Ericsson Global Services Limited, delivered an Industry Expert Talk on "Paradigm Shift in Today's Corporate World with the Advent of Analytics and the Crucial Role of HR Business Partner" for MBA students of 2022-24 and 2023-25 batches.

Department of Basic Science organized a workshop on “Youth Empowerment and Skills” by Art of Living for all B.Tech first-year students from 6th to 9th February, 19th to 22nd February, and 12th to 15th March, 2024.

On 16th March 2024, the Automobile Engineering Department organized a webinar on the subject of "Electrified Vehicular System: An Industry Insight". Mr. Roan Pal, Asst. Manager, TATA AUTO COMP. SYSTEM LTD and our alumnus delivered the topic.

The EE Department organized a series of lectures, including "Fault Detection and Diagnosis in Condition Monitoring" by Dr. Surajit Chattopadhyay, Associate Professor, EE Department, GKCET on 1st March, 2024, "Condition Monitoring of Generators" by Prof. (Dr.) Samarjit Sengupta, Retired Professor, Department of Applied Physics, University of Calcutta on 15th March, 2024, "Monitoring the Conditions for Grid Integration of Renewable Energy Sources - A Journey Towards Smart Grid" by Prof. (Dr.) Prithwiraj Purkait, Professor, Power Department, JU on 15th March, 2024, "Circuit Breaker and Switchgear Monitoring" by Mr. Ranjit Das, Power Research & Development Consultants Private Limited on 22nd March, 2024, and "Data Acquisition and Analysis in Condition Monitoring" by Prof. (Dr.) Jitendra Nath Bera, Professor, Department of Applied Physics, University of Calcutta on 5th April, 2024.

ALCCE of CSE organized a seminar on "Career Counselling" on 12th March, 2024. 122 students from CSE 2nd year participated in the event.

Department of Information Technology organized a seminar on “Research Methodology” on 28th March, 2024. The eminent person was Prof. Dr. Debabrata Datta, Scientist and Research Director, MCKVIE.

On 4th April, 2024, the Automobile Engineering Department hosted a workshop for Diploma students on "Recent Trends in the Automobile Industry". The session was conducted by Mr. Tapas Biswas and Mr. Rajib Majhi from the Automobile Engineering Department.

The expert talk on "Successful Case Studies in Sustainable Mobility" was expertly organized by the Department of Automobile Engineering on 24th April, 2024. The session was delivered by Md. Afroz Alam, Customer Service Manager, International Business, VECV Ltd.

Automobile Engineering Department organized another expert talk on "Mechatronics and Intelligent Transportation System" on 25th April, 2024. The speaker was Prof. Dr. Subhasis Bhaumik, Professor, IHEST, Shibpur.

CSE Department organised a seminar on “**Unleashing Innovation: Start-up Strategies for Entrepreneurial Success**” was delivered by **Mr. Sabyasachi Saha, CEO of Techno Exponent** on **25th April, 2024**.

Seminar on Unleashing Innovation: Start-up Strategies for Entrepreneurial Success

Department of Information Technology organized an **Expert Talk on "Motivation on GATE Exam"** on **6th May, 2024**.

The **Basic Science Department**, in collaboration with **IIC MCKVIE**, orchestrated an intellectually stimulating event titled “**Anharmonicity: The Battle of Unconventional Minds**” on **9th May, 2024**. The event featured a Photography Exhibition, Mock IPL Auction, Quiz, and Extempore speeches with over **500 participants**.

Anharmonicity: The Battle of Unconventional Minds

CSE Department organised a seminar on “**Handwritten Document Analysis**” was conducted by **Prof. (Dr.) Kaushik Roy, Professor & Head, Dept. of Computer Science, West Bengal State University** on **9th May, 2024**.

Seminar on Handwritten Document Analysis

Department of Basic Science organized a workshop named “**Paving the Way to Innovation**” under the third and final phase of “**Nurturing Innovation**” from **21st to 22nd May, 2024**. **34 teams of 1st-year students** presented their innovative ideas and implementation plans.

Seminar on Modern Applications of Cryptography and Security Engineering

CSE Department organised a seminar on “**Modern Applications of Cryptography and Security Engineering**” by **Dr. Goutam Paul, Associate Professor & Head, Cryptology & Security Research Unit (CSRU), ISI Kolkata** on **22nd May, 2024**.

Department of Basic Science organized a Value-added Course on “**Fundamentals and Applications of Fuzzy Mathematics**” for First Year IT-1 students; “**Mathematical Tools for Predictive Modelling and Feature Engineering**” for First Year CSE-DS and IT-2 students and “**Algebra for Engineers**” for First Year EE, ME & AUE students during **22nd January 2024 to 31st May 2024**.

Department of Information Technology organized an Expert Talk by **Ardent** on **26th May, 2024**.

AUE Department organized five-day training programme on “**Basic Automobile Technology**” during **1st July, 2024 to 5th July 2024**. Students of Automobile Engineering and Mechanical Engineering participated there.

One-Day Workshop on Circuit Design using LTSPICE (In association with IEEE SSCS) has been organized by **ECE department** on **31st July 2024**. Thirty number of students of 3rd year ECE have participated in the programme.

AUE Dept. organized a webinar on “**Performance analysis of a solar parabolic trough collector and the effect of secondary reflector**” by **Dr. Bireswar Paul, Motilal Nehru National Institute of Technology, Allahabad** on **4th August, 2024**

AUE Department successfully conducted the **35th Confederation of Indian Industry (CII) Skill Competition**, from **7th to 9th August, 2024**, at our college premises.

MS Department conducted an Inter-Institution Business Plan Competition on **20th August 2024** at MCKVIE, Liluah, Howrah.

EE department organized a **5-Day workshop on “Application of ETAP for Analysis of Power System Network”** during **20th to 24th August, 2024** at MCKVIE for the students of EE department.

Skill Development Program on Manufacturing of Automatic Room Light Controller Module has been organized by **ECE department** from **23rd to 24th August 2024**. Students of MCKVIE and various other Engineering colleges were the participants.

AUE Department organized an online Guest lecture on the topic of “**Overview of shear thickening fluids and their uses in Engg.**” by **Dr. Subhankar Das, UPES, Dehradun** on **31st August, 2024**.

MS Department organised Expert Lecture Session on "An Introduction to IT Industry and Leadership" by Mr. Ayon Chakraborty, Senior Manager for Service Flows and The Manager for Global IT Service Management at Scania on 10th September, 2024.

Lecture Session by Mr. Ayon Chakraborty

Five-Day Workshop by Success Scholar

Electronic Circuit Design workshop was organized by **ECE department** (In association with IET UK, Kolkata Network) was organized in ECE department from **12th to 13th September 2024** for ECE 5th semester students.

Department of Information Technology (IT) organized **"Engineers' Day"** in association with **IE(India)** on **19th September, 2024**.

MS Department organised an expert lecture session on **"Emotional Intelligence – A Journey from Campus to Corporate"** by Mr. Shibaji Chakrabarty, Regional Business Manager at Nestlé India Ltd., on **20th September, 2024**.

AUE department organized three days' workshop along with VECV at Eicher Training centre in MCKVIE from **18th September, 2024 to 20th September, 2024**. Final year students participated this programme.

A seminar on **Ethical Hacking** was organized by **CSE Department** on **24th September, 2024** for all 3rd year students.

The **MS Department** conducted a **Five-Day Workshop (2nd Phase) on Advanced-Level Aptitude** in collaboration with **Success Scholar, Kolkata**, on **23rd, 24th, 25th, 26th, and 27th September 2024**.

CSE organized a **30 Hrs. workshop on "Spring Boot Training Program"** for the **65 candidates** (including CSE, CSE-DS, IT, AIML, EE, and ECE) who were shortlisted in **Stage 2 of Cognizant DN 3.0, 2024**.

CSE Department organized a webinar on **"Ethical hacking"** for the students of **BTech. CSE(DS) and CSE(AIML) 3rd year** on **3rd October, 2024**. The speaker was **Abhishek Chakraborty**, Senior Regional Manager, **EC-Council**.

AUE Dept. organized a webinar on **"Design of Automobile Suspension System"** by **Prof. Goutam Pohit, Ex Professor, Jadavpur University** on **5th October, 2024**. More than **50 participants** along with faculty members attended.

CSE Department organized a workshop on “**Cyber Security**” for the **Students of B. Voc. in Software Development** (1st, 2nd and 3rd year) on **7th October, 2024**. The speakers were **Mr. Anubhab Mukherjee, Information Security Analyst (R & D), Six Dee Nested Solutions Pvt. Ltd.,** and **Ms. Neha Dalui.**

Workshop on Cyber Security organised by CSE Department

On **10th December, 2024**, the **Automobile Engineering Department** successfully completed the **career counselling program** visits to **Tarakeswar High School** and **Haripal Gurudayal High School**. Both **Tapas Kumar Biswas** and **Rajib Majhi** delivered the speech.

Department of Information Technology (IT) organized an **Expert Talk on “Entrepreneurship and Innovation as Career Opportunity”** by **Mr. Tuhin Kumar Saha** on **5th November, 2024**.

Online Lecture Series- Career Connect: Navigation to Industry was organized by **ECE department** of **MCKVIE** on **18th to 19th October, 2024** and **15th November, 2024**. The speakers were our alumni **Mr. Saswata Dasgupta**, Research Scholar at **Cambridge University**, **Mr. Himesh Mukherjee**, Senior Cloud Associate at **Google Operations Centre**, and **Mr. Jaydeep Banik Majumder**, IP Logic Design Engineer at **Intel**. The participants were **3rd and 4th year students** of **ECE Department**.

Department of Information Technology (IT) organized a **5 days online FDP on “Smart Computing Applications: Innovative Computational Approaches”** from **25th November to 29th November, 2024**.

AUE Dept. along with **VECV** organized a webinar on **"EV Training"** on **4th December, 2024**. Approx. **35 students** participated in this Program. The Speaker was **Mr. Rajeev Yadav** from **Pithampur plant**.

Automobile Engineering Department organized a **Certificate Course on AutoCAD & AutoCAD Electrical**. The duration of the program was **30 hrs. in offline mode**. **20 Nos. of 3rd year EE students** participated.

Mr. Prasenjit Das and **Mr. Sumit Majumdar** were the speakers of the “**NPTEL Awareness Program**”, organized by **CSE Department** for the **1st-year students** from **10th to 13th December, 2024**.

Industry Visit

The MS Department organized an Industry Visit on **4th April 2024** to Diamond Beverages Pvt. Ltd., located at P41, Taratola Road, Santoshpur, Kolkata - 700088. The participants included students from the MBA 2022-24 and 2023-25 batches.

Industry Visit by the MBA Students

The Department of Computer Science and Engineering (Data Science) has organized a 1-day Industry visit for the 6th Semester students, which was scheduled on **12th April, 2024**. The students visited Euphoria GenX, an IT Company having its office at Salt Lake, Sector V.

Industry Visit by Students of CSE (DS)

The students of MBA 1st and 2nd Years had an Industrial Visit cum Workshop at Decathlon Sports on **23rd February 2024** at Newtown, Kolkata.

Alumni Meet

Department of Information Technology organized an Alumni Talk on "**From Data to Decisions: The Role of AI and ML in Industrial Scenario**" on **6th May 2024**.

Online alumni Interaction Program has been organized by **ECE Department** on **16th August 2024** for the 4th year ECE students. Mr. Aritra Bhattacharya, Senior Staff Engineer, Marvell Technology was the speaker.

Seminar / Conference / Workshop / FDPs attended

Mr. Mangal Singh of the CSE Department attended a Short-Term Course on "AI Tools Mastery Program" organized by Be10X from **28th May 2023 to 4th January 2024**.

Ms. Moumita Goswami, Mr. Puspun Lahiri, Mr. Soham Goswami of the CSE Department, and **Mr. Priyanath Mahanti, Mr. Arijit Sarkar** of the IT Department attended a 5-day FDP on "The Future of Generative AI in Academic Research & Publishing", organized by IEM, Saltlake during **2nd to 6th January 2024**.

Mr. Shukla Mondal of the CSE Department attended a One-week National-level STTP on "Crafting and Conducting Cutting-edge Research and Innovation", organized by RCC Institute of Information Technology from **3rd to 8th January 2024**.

Prof. Dr. S. S. Thakur, Dr. Soma Bandyopadhyay, Mr. Prasenjit Das, Mr. Sumit Majumdar attended a 5-day FDP on "Building Advanced Data Analytics Application with Cloud", organized by AICTE from **8th to 12th January 2024**.

Ms. Debasree Maity of the ECE Department participated in an online one-week short-term course (Self-Sponsored) on "Cutting-edge Advancements in Biomedical Engineering (CABE-2024): Lab to Industry", organized by NIT Jalandhar from **8th to 12th January 2024**.

Ms. Debasree Maity of the ECE Department participated in a "21 Days Master Class on Generative AI" at Pantech eLearning Pvt. Ltd., Chennai from **8th to 27th January 2024**.

Mr. Suman Das attended a 5-day ATAL-AICTE offline FDP on "Waste Management Technology & Sustainability", organized by NITTTR, Kolkata from **15th to 20th January 2024**.

Dr. Juin Ghosh Sarkar, Mr. Diptayan Bhattacheryya, Dr. Soumyajit Das participated in the Conference on "Empowering MSMEs in India – Vocal for Local" organized by the Calcutta Management Association at Hotel Hindustan International, Kolkata, on **19th January 2024**.

Ms. Debasree Maity, Ms. Mahua Raha Patra, and Ms. Susmita Sarkar of the ECE Department participated in an FDP on "Recent Trends in AI", organized by Bhupal Nobles' University, Udaipur from **22nd to 27th January 2024**.

Dr. Soumyajit Ghorai and Mr. Sourav Ghorai of the BSC Department participated in a One-Day Webinar on "Green Technology: Towards A Sustainable Future", organized by MAKAUT on **26th January 2024**.

Dr. Kalyan Biswas participated in an FDP on "International Workshop on Photonics and Optoelectronics Devices (IWPOD)-2024", organized by IIIT, Ranchi from **26th to 30th January 2024**.

Ms. Manali Sarkar participated in a **5-Days** FDP on "**Applications of Blockchain Technology**" organized by **IEM Kolkata**. The program was conducted online from **29th January 2024 to 2nd February 2024**.

Ms. Susmita Sarkar participated in a one-week FDP on "Generative AI", organized by D Patil College of Engineering, Pune with Pantech eLearning from **4th to 9th February 2024**.

Ms. Mahua Raha Patra and Mr. Sekhar Rana participated in an FDP on "Generic AI and Emerging Trends in Wireless Communication Systems", organized by Heritage Institute of Technology, Kolkata from **5th to 9th February 2024**.

Mr. Sachin Balo attended an FDP on "Applied Cloud Computing for Full Stack Web Development", organized by AICTE, Microsoft, SAP, and Edunet Foundation from **5th to 9th February 2024**.

Dr. Soma Bandyopadhyay participated in the ATAL FDP on "Bridging Academia and Industry: A NEP-Centric Approach to AI, Robotics, and Industry 4.0/5.0." The program was organized by Supreme Knowledge Foundation Group of Institutions in association with AICTE Training and Learning (ATAL) Academy and was held from **5th February 2024 to 10th February 2024**.

Mr. Soumya Paul participated in an Industrial Training on Machine Learning and Artificial Intelligence organized by EduLakes Solutions LLP in association with the National Service Scheme (NSS) - IIT Roorkee which conducted online from **12th February 2024 to 22nd March 2024**.

Mr. Arijit Sarkar attended a Faculty Exchange Programme at Webel Fuji Soft Centre of Excellence, Newtown on **16th February 2024**.

Ms. Debasree Maity and Dr. Krishnendu Chattopadhyay participated in a "21 Days Master Class on Embedded System", organized by Pantech eLearning Pvt. Ltd., Chennai from **14th February to 5th March 2024**.

Dr. Sougata Majumder attended Conference on “Viksit Bharat2047: Navigating Horizon in Higher Education Excellence” by Maharaja Agrasen Himalayan Garhwal University via Online mode from **21st to 22nd February 2024**.

Mr. Diptayan Bhattacheryya participated in round Table Conference on “Building Resilient Leaders: The Role of Business Schools in Times of Uncertainty” by Association of Indian Management Schools (AIMS) at Monotel, Kolkata on **24th February 2024**.

Dr. Shampa Sengupta, Mr. Priyanath Mahanti, Mr. Partha Pratim Saha, Ms. Manali Sarkar, Mr. Soham Goswami, and Mr. Kailash Chandra Mahatab participated in a 5-day FDP on "Recent Trends and Applications in Data Science", organized by Sister Nivedita University, Kolkata from **26th February to 1st March 2024**.

Ms. Saptami Roy Chowdhury of the BSC Department participated in a 5-day International Workshop on "Mathematical Modelling and Solution Procedures", organized by Woxsen University, Hyderabad from **29th February to 4th March 2024**.

Mr. Diptayan Bhattacheryya and Dr. Arindam Ghosh attended 5 Day FDP on “Advanced Research Methodology with Analytical Software” by Dept. of Business Administration and Department of Supply Chain Management, BC Roy College, Durgapur from **4th to 8th March 2024**.

Dr. Arindam Ghosh attended 5-Days FDP on “Enhancing Research Methodology Skills: Navigating Data Analysis with Ease using R and SPSS” by International School of Business & Media, Kolkata via online mode from **4th to 9th March 2024**.

Ms. Sasmita S. Choudhury of the CSE Department attended an FDP on "Machine Learning and Deep Learning for Realtime IoT Applications", organized by NIT Jalandhar from **14th to 18th March 2024**.

Dr. Shampa Sengupta attended the AI Symposium organized by the CSE Department, University of Dakota on **11th April 2024**.

Prof. Dr. Satadal Saha, Dr. Atanu Banerjee of the ECE Department, **Dr. Dipankar Ghosh, Dr. Abhijit Pramanik, Mr. Sourav Ghorai** of the BSC Department, **Mr. Sachin Balo, Mr. Priyanath Mahanti** of the IT Department, **Mr. Soutrik Bose, Mr. Nabankur Mondal** of the ME Department, and **Dr. Suchismita Ghosh** of the EE Department and **Dr. Arindam Ghosh** from MS Department participated in an Eight-Day online Faculty Development Programme on "NEP 2020 Orientation & Sensitization Programme", organized by IIT Kharagpur from **12th to 23rd April 2024**.

Ms. Soma Chatterjee attended an Online FDP on "Recent Advances and Future Trends in AI and NLP", organized by the Global Institute of Science & Technology from **15th to 19th April 2024**.

Ms. Priyanka Dhar attended FDP on “Innovative Teaching & Learning Pedagogy” organized by the Research Foundation of India & RFI-CARE via online mode from **25th April 2024 to 30th April 2024**.

Mr. Nilay Kumar Nag and Ms. Sasmita S. Choudhury attended a Seminar on "IP Awareness on World IP Day", organized by Risers Club with IIC, MCKVIE on **26th April 2024**.

Dr. S. S. Thakur, Dr. Shibaprasad Sen, and Dr. Soma Bandyopadhyay attended an Online FDP on "Quantum Computing: A New Paradigm of Science & Technology", organized by St. Thomas' College of Engineering & Technology, Kolkata with IEEE Kolkata Section from **13th to 17th May 2024**.

Dr. Deep Suman Dev attended an Online FDP on "Recent Research Trends on AI & ML in Interdisciplinary Domains", organized by the Haldia Institute of Technology from **13th to 17th May 2024**.

Dr. Animesh Talapatra of AUE department participated in a webinar on the topic “Simulating Biomedical Applications using COMSOL” on **14th May, 2024**.

Dr. Animesh Talapatra of AUE department attended a webinar on “Non-linear Structural Analysis using ANSYS” on **23rd May, 2024**.

Prof. Dr. S. S. Thakur attended an Online Short-Term Course on "Machine Learning and its Applications in IoT, Computer Vision, and Cloud Computing (MICC-2024)", organized by NIT Jamshedpur from **27th to 31st May 2024**.

Dr. Tamal Roy and **Dr. Debopoma Kar Ray** attended a 5-day online Workshop on "Design, Analysis, and Application of Electromagnetic Systems", organized by GKCIET, Malda from **27th to 31st May 2024**.

Mr. Diptayan Bhattacheryya and **Ms. Priyanka Dhar** participated in 3-Day National Workshop on "Scholarly Publication Process and Referencing Techniques" organized by the School of Management, Swami Vivekananda University, West Bengal, via Online (Google Meet) from **28th to 30th May 2024**.

Ms. Manali Sarkar attended an Online FDP on "Mathematical and Computational Aspects of Industry 4.0 (MCAI 2K24)", organized by the Haldia Institute of Technology from **3rd to 7th June 2024**.

Ms. Soma Chatterjee attended the Conference on "Driving Educational Excellence: Integrating Outcome-Based Education, ICT Tools, and Accreditation Principles", organized by Vmedulife Software on **6th June 2024**, Kolkata.

Dr. Animesh Talapatra of AUE department attended a webinar on "Simulating Current-Driven Magnetohydrodynamic Flows Using COMSOL Multiphysics®" on **18th June, 2024**.

Dr. Shampa Sengupta, Mr. Saugata Dey, Mr. Arijit Sarkar, Mr. Arindam Das, Mr. Suman Mitra, and **Ms. Anwesa Das** attended a Sensitization Programme organized by IIT Kharagpur under UGC-Malaviya Mission from **19th to 28th June 2024**.

Dr. Abhijit Pramanik, Mr. Milan Chakraborty, Mr. Sourav Ghorai, and **Ms. Arpita Ghosh** of the BSC Department participated in a 5-day Online FDP on "Exploring Frontiers in Science and Technology: Innovative Pathways and Pioneering Approaches", organized by Amity University, Kolkata from **24th to 28th June 2024**.

Ms. Priyanka Dhar attended International Workshop on "Enhancing Financing Skills Using Excel Function" organized by GOMSGURU Academy, Bangalore, via online mode from **24th June 2024 to 28th June 2024**.

Ms. Priyanka Dhar participated in the **Five-Day Online International Level Workshop on "Data Analytics using R Studio"** from **1st July 2024 to 5th July 2024**, organized by GOMSGURU Academy, Bangalore.

Ms. Priyanka Dhar participated in the FDP/Training Program on "First-Hand Experience on SPSS – Introductory Module" from **29th July to 5th August 2024** organized by the Research Foundation of India & RFI Care in association with the School of Business Administration, Bhagwan Parshuram Institute of Technology, New Delhi.

Ms. Priyanka Dhar participated in a **Live Workshop on "AI & Automation in MS Excel"** on **12th September 2024**, conducted by Skill Nation.

Mr. Diptayan Bhattacharyya attended the AIMS International Conference on "Management Education in Transition in Asian Countries" on **6th July 2024** at Stadel, Kolkata.

Ms. Debasree Maity, Dr. Joydeep Banerjee, Ms Mahua Raha Patra, Mr. Subhasish Banerjee, Mrs Susmita Sarkar, Mrs Sushmita Dey participated in one week online FDP on 'Machine Learning ALGORITHMS AND EXPLORATORY DATA ANALYSIS', organized by Pantech eLearning Pvt. Ltd. From **8th to 13th July 2024**.

Ms. Debasree Maity, Ms Mahua Raha Patra, Mr. Subhasish Banerjee, Mrs Susmita Sarkar, Mrs Sushmita Dey, Mr. Soham Lodh, Dr. Pubali Mukherjee participated in five days online FDP on 'Innovation in Emerging Field', organized by IQAC Cell and IIC GKCEM in association with Department of EE & CSE, GKCEM(Greater Kolkata College of Engineering and Management) from **15th to 19th July 2024**.

Ms. Debasree Maity, Dr. Joydeep Banerjee, Ms Mahua Raha Patra, Mr. Subhasish Banerjee, Mrs Susmita Sarkar, Mrs Sushmita Dey, Dr. Krishnendu Chattopadhyay participated in "21 days Master Class on NVIDIA- AI Hardware" at Pantech eLearning Pvt. Ltd from **15th July to 5th August 2024**.

Ms. Debanjali Chowdhury participated in a Five-Day online Faculty Development Programme on "A Quality Improvement Program on Statistical Methods in Physics" organized by the Department of Physics, ICAI University Tripura, completed on **17th July, 2024**.

The **EE department** attended a one-week Training and Faculty Development Programme on “Network Advancements, Issues and Practices for Sustainable Green Energy Distribution System” organized by the EE department, GKCIET, Malda, held between **22nd and 26th July, 2024**.

Ms. Debasree Maity, Dr. Joydeep Banerjee, Ms Mahua Raha Patra, Mr. Subhasish Banerjee, Mrs Susmita Sarkar, Mrs Sushmita Dey, Dr. Krishnendu Chattopadhyay, Mr. Sekhar Rana participated in one week training & Faculty Development Programme (TFDP) on "Network Advancements, Issues and Practices for Sustainable Green Energy Distribution System", organized by Department of Electrical Engineering, GKCIET, Malda, West Bengal from **22nd July to 26th July, 2024**.

Ms. Debasree Maity, Mr. Subhasish Banerjee participated in “21 days Master Class on VLSI” at Pantech eLearning Pvt. Ltd. from **22nd July to 15th August 2024**.

Dr. Deep Suman Dev, Ms. Soma Chatterjee, Ms. Manali Sarkar, and Mr. Soumya Paul attended an FDP on “Methods for Improving Higher Education Teaching Quality using Outcome Based Education, Pedagogical Approaches, and NEP 2020”, organized by Haldia Institute of Technology from **22nd to 26th July 2024**.

Mr. Arindam Ghosh attended five-day International Faculty Development Programme on “Artificial Intelligence in Business: Now and Beyond Industry 4.0” organized by Dr. B.C. Roy Engineering College, Durgapur, from **23rd to 27th July 2024** as a participant.

Mr. Nirvik Banerjee attended a one-day Workshop on “Revisiting Sustainability in Rubber Industries: Vision 2047”, jointly organized by the University of Calcutta and IRMRI at Rajabazar Campus on **27th July, 2024**.

Ms. Manali Sarkar and Mr. Soumya Paul attended an FDP on “Innovation in Recent Trends and Research Applications on Computing and Informatics”, organized by Haldia Institute of Technology from **29th July to 2nd August, 2024**.

Dr. Supriya Das participated in a Five-Day online Faculty Development Programme on “Application of AI-ML in Emerging Fields”, organized by Guru Tegh Bahadur 4th Centenary Engineering College from **29th July to 2nd August, 2024**.

The **IT Department** attended a Five-Day online International Workshop on “Deep Dive: Exploring the Frontiers of Deep Learning” organized by the Department of Computer and Communication Engineering, SCIS, FOE, Manipal University Jaipur, from **30th July to 3rd August, 2024**.

Mr. Soumya Paul attended an FDP on “AI for Sustainable Development” organized by VIT Pune, IEEE Region 10 Humanitarian Technology Activities, IEEE Pune Section, and IEEE Pune Section SIGHT group from **5th to 9th August, 2024**.

Mr. Soumya Paul attended an FDP on “Sustainable Development in Industry 5.0 with AI”, organized by the Department of CSE, Haldia Institute of Technology from **5th to 9th August, 2024**.

Dr. Joydeep Banerjee participated in AICTE Training and Learning (ATAL) Academy Faculty Development Program on Application of Semiconductors: Past, Present & Future Trends at ABACUS Institute of Engineering and Management, Kolkata from **5th to 10th August 2024**.

Dr. Soumyajit Ghorai and Mr. Mojammel Rahaman participated in a Six-Day offline ATAL Faculty Development Programme on “Application of Semiconductors: Past, Present & Future Trends” from **5th to 10th August, 2024**.

Mr. Sumit Majumdar and Mr. Supriyo Das attended a workshop on “SWAYAM NPTEL SPOC Workshop 2024 East Zone” organized by IIT-KGP on **24th August, 2024**.

Ms. Debasree Maity, Mr. Subhasish Banerjee, Dr. Krishnendu Chattopadhyay participated in “21 days Master Class on Power Electronics” at Pantech eLearning Pvt. Ltd. from **26th August to 16th September 2024**.

Dr. Arindam Ghosh and Dr. Soumyajit Das, Dr. Sougata Majumder, Mr. Diptayan Bhattacharyya and Ms. Priyanka Dhar attended the FDP on "Advanced Case Study Workshop: From Creation to Classroom Excellence," held on **31st August, 2024** at NSHM Knowledge Campus, Kolkata.

Ms. Priyanka Dhar participated in a live Workshop on AI & Automation in MS- Excel on **12th Sep 2024**, by Skill Nation.

All faculty members of the **IT Department** attended a presentation on “Engineers’ Day” in association with IE (India) on **19th September, 2024**.

Mr. Shukla Mondal attended an FDP on “Advanced Developments in AI: From Basics of AI to Generative AI, Explainable AI, and Beyond”, organized by Electronics and ICT Academy, IIT Roorkee, from **23rd to 29th September, 2024**.

Mr. Puspen Lahiri attended FDP on “Data Science and Machine Learning Applications for Engineering and Sciences”, organized by Department of Information Technology, Shri Vishnu Engineering College for Women, Bhimavaram from **21st to 27th October, 2024**.

Dr. Supriya Das attended a one-week online Faculty Development Programme on “Transforming Innovations into Reality for Future Science and Engineering (TIRFSE 2K24)” organized by Department of Applied Sciences & Humanities, Haldia Institute of Technology, Haldia, IN, in association with Indian JSPS (Japan Society for the Promotion of Science) Alumni Association (IJAA) & Department of Physics, Mohanlal Sukhadia University, Udaipur, IN, completed on **8th November, 2024**.

Mr. Sougata Dey, Mr. Arijit Sarkar, Mr. Arindam Das, Ms. Nabamita Majumder, Ms. Sulagna Roy, Ms. Anwesha Das, Mr. Suman Mitra of IT Department, **Mr. Puspen Lahiri, Ms. Moumita Goswami, Dr. Deep Suman Dev, Mr. Prasenjit Das, and Mr. Soham Goswami** and **Dr. Soutrik Bose** of ME Department attended 5 days online FDP on “Computational Tools on Engineering and Research: Issues and Challenges” organized by Department of CSE (AIML), ECE & ME of Techno Engineering College Banipur, in collaboration with CSI Kolkata Chapter from **18th November to 22nd November, 2024**.

Mr. Sachine Balo attended a 10-day FDP on “Research Methodology” organized by UGC-Malaviya Mission Teacher Training Center, IIT Kharagpur from **18th November, 2024, to 27th November, 2024**.

Dr. Joydeep Banerjee participated in a 5-day online FDP on “Emerging Technologies in Power Energy: Shaping the Future of Sustainable Solutions” organized by Department of Electrical Engineering, Dream Institute of Technology, Kolkata from **19th to 23rd November, 2024**.

Prof. Dr. S. S. Thakur, Dr. Soma Bandyopadhyay, Mr. Puspen Lahiri, Ms. Moumita Goswami, Mr. Shukla Mondal, Rachita Ghoshhajra, Dr. Deep Suman Dev, Dr. Mahua Nandy Pal, and Mr. Soham Goswami attended FDP on “Smart Computing Applications: Innovative Computational Approaches”, organized by IT Department, MCKVIE from **25th to 29th November, 2024**.

Mr. Shukla Mondal and **Mr. Arkadeep Goswami** attended FDP on “Future Perspectives of AI and Data Sciences: Algorithms and Applications”, organized by Indian Institute of Information Technology Design and Manufacturing, Kancheepuram from **2nd to 7th December, 2024**.

Prof. Dr. Prasenjit Chatterjee, Dr. Abhijit Dutta and **Mr. Nabankur Mandal** of ME Department completed AICTE Training And Learning (ATAL) Academy Faculty Development Program on Digital Manufacturing Technology at National Institute Of Advanced Manufacturing Technology from 2nd to 7th December 2024.

Prof. Dr. S. S. Thakur, Dr. Soma Bandyopadhyay, Dr. Mahua Nandy Pal of CSE Department, **Dr. Pubali Mukherjee, Mrs. Mahua Raha Patra, Mr. Sekhar Rana, Mr. Soham Lodh** of ECE Department, **Ms. Jayanti Mahata, Mr. Uddalok Sen** of IT Department, and **Ms. Debanjali Chowdhury** of Basic Science Department participated in 5-days online ‘National Education Policy- (NEP) Orientation and Sensitization Programme’, conducted by the UGC-MMTTC, Indian Institute of Technology, Kharagpur, West Bengal, India from **2nd December to 11th December, 2024**.

Prof. Dr. S.S.Thakur and **Dr. Soma Bandyopadhyay** attended FDP on “Building Web Development Solutions with Cloud Computing”, organized by AICTE with Edunet Foundation from **9th to 13th December, 2024**.

Mr. Shukla Mondal and **Mr. Arkadeep Goswami** attended FDP on “High Performance Computing for Medical Image Processing and Computer Vision”, organized by Motilal Nehru National Institute of Technology, Allahabad from **9th to 14th December, 2024**.

Ms. Moumita Goswami, Dr. Deep Suman Dev, and Mr. Puspen Lahiri attended FDP on “Research Excellence Through Computational Empowerment”, organized by IEM – UEM from **16th to 20th December, 2024**.

Mr. Shukla Mondal and Mr. Arkadeep Goswami attended FDP on “Leveraging Healthcare: Innovations, Technology and Applications (HealthITA)”, organized by National Institute of Technology Delhi from **16th to 21st December, 2024**.

Mr. Tapas Kumar Biswas and Mr. Nirvik Banerjee attended AICTE-sponsored 6-day online Faculty Development Program (FDP) titled "GREEN HYDROGEN GENERATION OPPORTUNITIES AND CHALLENGES IN INDIA," held from **9th December to 14th December, 2024**, organized by the School of Mechanical Engineering, Shri Mata Vaishno Devi University, Katra, Jammu and Kashmir.

Mr. Arijit Sarkar, Ms. Nabamita Majumder, Ms. Sulagna Roy, Ms. Anwesa Das, and Mr. Suman Mitra attended a 5-day online International FDP on “Research Excellence Through Computational Empowerment” organized by the Department of Computer Application & Science of IEM, Kolkata from **16th December to 20th December, 2024**.

Dr. Krishnendu Chattopadhyay, Dr. Joydeep Banerjee, Ms. Susmita Sarkar, Ms. Sushmita Dey, Mrs. Debasree Maity, Dr. Kalyan Biswas, Mr. Subhasish Banerjee, and Dr. Rajarshi Sanyal participated in an 8-day online ‘National Education Policy- (NEP) Orientation and Sensitization Programme,’ conducted by the UGC-MMTTC, Coimbatore Institute of Technology, Coimbatore, India from **16th December to 24th December, 2024**.

Training Program attended:

AUE department along with **LogicZapp** completed the Training session on “**Electric Vehicle**” **1st February to 5th February, 2024**. Students of Automobile Engineering and Electrical Engineering successfully attended this training session.

Seven students of AUE department successfully completed two weeks Electric Vehicle Training programme during the period of **July-24 to August-24**.

Events organised by IIC

SL. No	Name of the Event	Name of the Speaker	Date
1	Organising Innovation & Entrepreneurship Outreach Program in Schools/Community	Dr. Joydeep Banerjee Mr. Ajoy Ghosal ECE Department	21/02/2023 to 21/02/2024
2	National Youth Day	Mr. Subhankar Dasgupta	12/01/2024
3	Regional meet2023 -24	MIC Driven Activity	12/01/2024
4	Solar Solutions: Powering a Greener Tomorrow	Dr. Tamal Roy Dr. Debopoma Ray EE Department	01/29/2024 to 02/02/2024
5	Workshop on Entrepreneurship Skill, Attitude and Behaviour Development	Dr. Soumojit Das Dr. Arindam Ghosh MSH Department	02/02/2024
6	DataQuest – 2K24, Where Data Drives Innovation	Student's Competition	16/02/2024
7	Expert talk on "Process of Innovation Development & Technology Readiness Level (TRL)" & "Commercialisation of Lab Technologies & Tech-Transfer"	Prof (Dr.) Debabrata Datta	19/02/2024
8	A three days lecture series on Recent Trends in Photonics, Microelectronics and Communication 2024 [RTPMC – 24]	Prof.(Dr.) Parth Roy Chaudhuri, Prof.(Dr.) Sanatan Chattopadhyay Prof(Dr.)Monojit Mitra	20/02/2024
9	Session on Achieving Problem-Solution Fit & Product-Market Fit	Ms. Jayanti Mahata	20/02/2024
10	Workshop on “Paving Way to Innovation”	Prof. (Dr.)Debapriya De, Dr. Tanmoy Roy Choudhury, Dr. Abhijit Pramanik, Dr. Dipankar Ghosh Basic Science Department	26/02/2024 to 28/02/2024
11	Three Days Lecture Series on Advanced Computing with Innovation: Powering the Future.	Padmashree Dr. Bimal Roy, Prof. (Dr.) Sharmistha Neogi, Mr. Kaushik Halder	27/02/2024 to 29/02/2024
12	National Science Day	Mr. Mojammel Rahaman	28/02/2024
13	Technotica 2023-24	Student's Competition	29/02/2024
14	A Bootcamp session on “Lean Start-Up & Minimum Viable Business” and Programme tag line name “Baniya Buddhi- The Wisdom of Making Profits”	NA	29/02/2024
15	Entrepreneurship & Personal Finance	Prof. Sharan Kumar Shetty	11/03/2024
16	Additive Manufacturing for Structural and Biomedical Applications	Dr. Amit Bandyopadhyay	13/03/2024
17	PI-Day Math Fiesta: Uncovering Everyday Mathematical Wonders	Student's Competition	14/03/2024
18	PULSE.EXE 2K24	Student's Competition	10/04/2024
19	World Intellectual Property Day	Dr. Rahul Kapur	26/04/2024
20	How to plan for startup and legal ethical step	Mr. Sudeep Samanta EE Department	16/04/2024
21	SPECTRA 2K24: Spectrum of Talents & Innovation	Student's Competition	18/04/2024
22	Intellectual property Rights (IPRs) and IP management for startup	Mr. Sudeep Samanta, Mr. Kunal Dey	18/04/2024
23	Successful case studies in Sustainable Mobility	Md. Afroz Alam, VE Commercial Vehicles Ltd.	24/04/2024
24	Unleashing Innovation: Start-up Strategies for Entrepreneurial Success	Sabyasachi Saha, the CEO of Techno Exponent.	24/04/2024
25	Mechatronics and Intelligent Transportation System	Prof. Subhasis Bhaumik, IEST Shibpur	25/04/2024
26	World Intellectual Property Day	Dr. Rahul Kapur	26/04/2024
27	Student's Technical Article Competition- PRAYAS 2024	Student's Competition	26/04/2024

SL. No	Name of the Event	Name of the Speaker	Date
28	Expert Talk on “Strengthening of Entrepreneurship & Unicornship”	Dr. Juin Ghosh Sarkar MSH Department	26/04/2024
29	Expert Talk on “Effect of Circular Flow of Income and Inflation on Business”	Mr. Diptayan Bhattacheryya, MSH Department	26/04/2024
30	WORKSHOP on “AI for Industry 4.0”	Mr. Asok Gupta, Globsyn Technology Ltd.	14/05/2024
31	ABHIYANTA Inside the minds of CEOs	Mr. Saaket Tharad, Mr. Suraj Junaja	17/05/2024
32	One-day Workshop on Business Model Canvas (BMC)	Dr. Soumyajit Das, Dr. Arindam Ghosh, Ms. Priyanka Ghosh MSH Department	17/05/2024
33	Session on Prototype /Process Design and Development	Mr. Sumit Majumdar CSE Department	22/05/2024
34	Workshop on process and prototype development	Mr. Sumit Majumdar CSE Department	22/05/2024
35	SPECTRA 2K24 :Spectrum of Talents & Innovation	Student's Competition	24/05/2024
36	World Environment Day	Sasmita S. Choudhury CSE Department	05/06/2024
37	Industrial Visit “Innovation in Motion”	Industrial Visit	15/07/2024 - 31/07/2024
38	Guiding Framework for Creating and Engaging Trained Faculty and Student IIC Members, Innovation Ambassadors (IA) in IIC Institutions, and Rewarding Mechanisms for IAs	Expert talk	29/07/24
39	Building the Pipeline of Quality Innovations and Startups in HEIs with Ecosystem Enablers by Creating and Managing YUKTI Innovation and IPR Repository (YIIR)	Expert talk	02/08/2024
40	Orientation cum Refreshers' Session on Institution's Innovation Council Objectives, Structure, Operation for IIC Institutions	Expert talk	05/08/2024
41	WORKSHOP on “AI for Industry 4.0”	Mr. Asok Gupta, Globsyn Technology Ltd.	12/08/2024
42	Independence Day- Celebrating Aazadi Ka Amritkal	Celebrations	15/08/2024
43	Organise an Inter/Intra Institutional Start-up Competition and Reward Best Start-ups	Competition	20/08/2024
44	Demo Day/Exhibition/Poster Presentation of Start-Ups & Linkage with Innovation Ambassadors/Experts for Mentorship Support	Mr. Subir Roy, Entrepreneurship Expert, Entrepreneurship Development Institute of India (EDII) and Business Analyst, SIDBI Cluster Development Fund	20/08/2024
45	5 Day Workshop on application of ETAP for Analysis of Power System Network	Expert talk	20/08/2024 - 24/08/2024
46	Session/ Panel discussion with innovation and Start-up Ecosystem Enablers from the region/state/national level	Expert talk	22/08/024

SL. No	Name of the Event	Name of the Speaker	Date
47	Strengthening IIC Linkages with ATLs and SICs in Schools and the Framework for Providing Mentorship and Guidance	Expert talk	28/08/2024
48	Session on Innovation/Prototype Validation – Converting Innovation into a Start-up or Session on Achieving “Value Proposition Fit” & “Business Fit”	Dr. Debopoma Kar Ray EE Department, MCKVIE.	29/8/2024
49	Session on Angel Investment/VC Funding Opportunity for Early Stage Entrepreneurs.	Md. Amaan Ansari (Founder and CEO, Atomos Technologies (OPC) Pvt Ltd, Founder and CEO, Cifer Technologies Pvt Ltd) alumnus of MCKVIE	28/08/2024
50	Organising Innovation & Entrepreneurship Outreach Program in Schools/Community	Dr. Joydeep Banerjee, Assistant Professor of ECE Department & Convener IIC-MCKVIE and Mr. Ajoy Ghosal, Laboratory Instructor of ECE Department & member of IIC-MCKVIE conducted this outreach programme as joint speakers.	28/08/2024
51	TRACE.IT 2K24	Celebrations	31/08/2024
52	MY STORY: MOTIVATIONAL SESSION BY SUCCESSFUL INNOVATORS	Mr. Syantan Mukherjee, an accomplished innovator.	21/10/2024
53	MY STORY: MOTIVATIONAL SESSION BY SUCCESSFUL ENTREPRENEURS	Mr. Vishwas Anand Bhusan, an accomplished innovator.	22/10/2024
54	Three-Day Workshop on Application of Business Analytics, Digital Marketing and Artificial Intelligence (AI) in Innovative Business Decision Making	Dr. Sayantani Roychoudhury, Associate Professor, Praxis Business School, Kolkata, and Visiting Faculty - IIM Udaypur and IIM Amritsar. Mr. Amar Krishna Jha, Chairman, Amarketing Mr. Sugata Halder, Director, Vriksh Consulting	23/10/2024 to 29/10/24
55	Workshop on "Entrepreneurship and Innovation" as Career Opportunity	Mr. Tuhin Kumar Saha, Founder and CEO of Success Scholar.	05/11/2024
56	INSIGNIA 2K24 : Turn Data into Insights	Inter College Students' Competition	05/11/2024
57	Two-Day Workshop on Regulations Relating to Presentation of Annual Accounts of Companies as per the Companies Act, 2013, and Various Issues Relating to Acquisition and Merger of Companies	Mr. Subrata Kumar Ray, Professor of MAKAUT and Ex-General Manager & Company Secretary, MSTC Limited (A Govt. of India Enterprise) and Ms. Arpita Dhal, Assistant Professor, MAKAUT	13/11/2024 and 14/11/2024
58	Basics of Intellectual Property Rights and Importance for Innovators and Entrepreneurs	Dr. Debopoma Kar Ray, Assistant Professor, EE Department, MCKVIE	14/11/2024

Event and Activity Details of T & P Cell (Jan'24 To Dec'24)

Mr. Jayanta Kr Talapatra participated in the Calcutta Management Association Conference on “Empowering MSMEs in India – Vocal for Local” on 19th January at Hotel Hindustan International, Kolkata.

Mr. Chandan Saha and **Mr. Sandeep Dutta** from the T & P Cell participated in the event ‘Globsyn College Connect 2024’ on 23rd March 2024, organized by Globsyn Business School at Tollygunge Club, Kolkata.

The T & P Cell organized a pre-placement interaction session at “Malay Manch” on 30th March 2024, where the HR team from TCS addressed the students of the 2024 batch.

Mr. Chandan Saha and **Mr. Sandeep Dutta** from the T & P Cell participated in the interaction session with the Director, BOPTER, Ministry of Education, Government of India, on 9th April 2024 at the Seminar Hall of BOPTER, Kolkata.

Mr. Sandeep Dutta, **Mr. Ankur Tiwari**, and **Mr. Mithun Das** participated in the “Grand Launch of AICTE Career Portal” on 25th April 2024 in virtual mode at the Conference Hall of MCKVIE.

Mr. Chandan Saha and **Mr. Jayanta Talapatra** from the T & P Cell participated in the 6th Globalized Education Forum organized by the Indian Chamber of Commerce on 27th April 2024 at Taj Bengal, Kolkata.

Mr. Sandeep Dutta and **Mr. Chandan Saha** from the T & P Cell attended the ‘Nikhil Bharat Banga Shiksha Samman 2024’ on 12th May 2024 at Sir R.N. Mookerjee Seminar Hall at The Institution of Engineers (India). Both received the prestigious “**Most Promising Career Guru 2023-24**” from the Nikhil Bharat Shiksha Parishad. Additionally, the Department of Training and Placement Cell of MCKVIE received the “**Impactful Placement Award.**”

The T & P Cell conducted a physical interactive session on 14th and 15th May 2024 with the students of the 2025 batch at the SIT Hall of MCKVIE to discuss the Do’s and Don’ts of placement-related activities.

Mr. Souvik Das (Regional Head - Academic Alliances Group, India-East) and **Mr. Partha Sarkar** (Ex-Regional Head - Academic Interface Programme) from TCS visited the MCKVIE campus on 28th June 2024 to interact with all HODs, Principal Sir, Deans, and T & P Cell members.

Mr. Chandan Saha and **Mr. Jayanta Talapatra** from the T & P Cell participated in the Brand Communication event organized by the Public Relations Society of India, Kolkata Chapter, on 17th August 2024 at ITC Sonar, Kolkata.

The T & P Cell organized a **Pre-Placement Connect** at “Malay Manch” on 2nd September 2024, where **Mr. Avik Chakraborty** (HR Campus Recruitment) and Business Leader **Mr. Subhendu Datta Bhowmik** from Cognizant addressed the final-year students (2025 POB).

Mr. Chandan Saha from the T & P Cell participated in the **Annual Education Conclave-2024** organized by the Bengal Chamber of Commerce & Industry on 20th September 2024 at Taj Hotel, Kolkata.

The T & P Cell organized a physical interaction session at “Malay Manch” on 6th November 2024, where four experts from Infosys addressed 3rd-year students, offering insights into the Computer Science world, IT trends, latest technologies, industry opportunities, and personal branding.

The T & P Cell organized a physical interaction session at “Malay Manch” on 19th December 2024, where two experts from Cognizant addressed 1st-year students on Industry-Academia connect.

Mr. Arijit Sarkar delivered lecture at Cuttack and Bhubaneswar RKM Orissa as part of outreach program

Visit to Ramakrishna Mission, Belgharia

NDLI Club Activity

Event Date	Event Name	Resource Person
24.02.2024		
	Role of e-Library in Present Scenario of Technical Education	Dr. Arpan Deyasi, Associate Professor , ECE Dept. of RCC Institute of Information Technology, Kolkata
17.03.2024		
	Empowering Learner's Through Digital Resources: NDLI Club Insights (User Awareness Programme on National Digital Library of India	Dr. Sambhu Nath Halder, Librarian, Shimurali Sachinadan College of Education, Nadia
19.10.2024		
	Social Psychology: in this trying times, let us look into certain prevalent dimensions of Social Psychology and their impacts on us	Ms. Satakshi Ghoshal, Student Counselor, MCKV Institute of Engineering
23.11.2024		
	Invention, Innovation and Entrepreneurship	Dr. Arpan Deyasi, Associate Professor , ECE Dept. of RCC Institute of Information Technology, Kolkata

Activities of Risers Club

From 3rd January to 10th January 2024, the Winter Whirl event was organized by the Risers Club of MCKVIE to celebrate the advent of winter.

On 12th January 2024, a seminar was conducted to mark National Youth Day, celebrating the 161st birthday of Swami Vivekananda and highlighting his principles relevant to student life.

On 13th February 2024, the Girl Child Awareness Programme was held to raise awareness about the rights, challenges, and opportunities faced by girls worldwide through activities like poster making, drama, and a seminar.

On 18th February 2024, Sahachari, a health camp for underprivileged women, provided medical attention to over 100 patients through surveys, coupon distribution, and dedicated medical services.

On 28th February 2024, National Science Day was celebrated, featuring a seminar on the legacy of India's first internationally recognized scientist and a quiz competition that tested participants on the knowledge gained from the session.

On 29th February 2024, a Mental Health Wellness Workshop was conducted, addressing stress and suicide prevention with Dr. Chitrlekha Bhowmik as the speaker, along with the distribution of awareness pamphlets.

On 22nd March 2024, the Muskan Rang initiative was launched to bring joy and happiness to underprivileged children.

On 23rd March 2024, a Ganga Cleaning Drive was carried out to promote a cleaner and more sustainable future.

On 27th March 2024, Rangotsav, a vibrant Rangoli-making competition, was organized by RCMCKVIE, showcasing creativity through traditional designs and colorful patterns.

On 28th March 2024, Sawachhanjali, a college cleanliness drive, was held to encourage a cleaner and healthier campus environment.

On 1st April 2024, RCMCKVIE hosted a Mock Interview session, providing 20 students with a platform to refine their interview skills and gain valuable feedback.

On 16th April 2024, the Jodi No. 1 event, organized by the Risers Club of MCKVIE, celebrated friendship and teamwork, drawing enthusiastic participation.

On 22nd April 2024, Vatavaran, a nature-focused event in collaboration with The Greenovation Club of MCKVIE, was held to mark World Earth Day, featuring two segments, Vitaran and Parishram.

Vatavaran

On 26th April 2024, World Intellectual Property Day was celebrated to raise awareness about intellectual property rights, fostering curiosity and innovation while providing a platform for intellectual engagement.

The Campus Escape Quest was organized at MCKV Institute of Engineering on 6th May 2024, featuring an interactive adventure where teams solved puzzles and navigated themed challenges, offering an exhilarating experience for all participants.

On 25th May 2024, Brave Art, an inspiring and heartfelt event organized by the Risers Club of MCKVIE, was dedicated to bringing joy and creativity to young patients at the cancer hospital in Thakurpukur. A drawing competition was conducted among the children, making the visit a memorable and uplifting experience.

On 5th June 2024, World Environment Day was observed with a seminar organized by the Risers Club of MCKVIE in collaboration with the Institution Innovation Council MCKVIE and NSS. The seminar addressed critical environmental issues such as global warming, ozone layer depletion, polymeric waste, e-waste, and pollution. It also focused on ways to protect nature and promote sustainable development.

On 21st June 2024, International Yoga Day was celebrated by the Risers Club of MCKVIE with a special yoga session conducted by eminent professor Dr. Brojendranath Dey, offering participants a unique and enriching experience.

International Yoga Day

On 24th July 2024, the Blood Donation Camp was organized at Malay Manch in collaboration with Saroj Gupta Cancer Centre and Research Institute. The event commenced at 9 AM, witnessing a significant turnout of volunteers who donated blood after meeting the required health criteria through proper checkups.

On 15th August 2024, Azaadi was celebrated in collaboration with IIC, MCKVIE to honor the 78th Independence Day. The event featured a flag hoisting ceremony on the college premises, followed by engaging activities such as Open Mic and Quiz in the SIT Hall. Students, faculty members, college authorities, and non-teaching staff participated enthusiastically.

From 13th August to 17th August 2024, Poster Pro was conducted to elect members for the editorial committee. The chosen theme revolved around Raksha Bandhan, where participants shared their perspectives, pros, and cons. After discussions with the chairs and advisory committee, final posters were selected for presentation.

On 16th August 2024, a Seminar on Anti-Ragging was held to raise awareness about ragging, its prevention, and the anti-ragging system. The event began with a speech from the Respected Principal, followed by an insightful talk from Mr. Mojammel Rahaman, Head of the Anti-Ragging Committee. The seminar concluded with a presentation by Mr. Sourav Ghorai from the Basic Science Department.

On 23rd August 2024, Space Day Talk was organized to celebrate the successful soft landing of Chandrayaan-3's Vikram Lander on the Moon's Lunar South Pole. Dr. Tanmoy Roy Choudhury delivered an engaging session, offering valuable insights into the mission and its impact on space exploration.

On 14th September 2024, Aponjon was conducted to foster understanding and empathy toward the elderly. The event involved spending quality time with the residents of Bholananda Ashram in Barrackpore, listening to their experiences, and sharing heartfelt moments.

On 18th September 2024, Game-o-Mania 3.0 was held in celebration of Engineers' Day at MCKVIE. The event focused on the professional development of engineering students, featuring skill-building activities and networking opportunities. Participants engaged in activities designed to enhance their technical and professional skills, ensuring a productive and empowering experience.

On 28th September 2024, Durga Drishti 2.0 embarked on a pre-Puja photowalk through Kumartuli's iconic alleys, capturing the enchanting process of Ma Durga's idol-making in Kolkata's renowned Potter's Colony. The event aimed to document the artistic craftsmanship and vibrant essence of Durga Puja preparations.

On 1st October 2024, Swachata Hi Seva was celebrated with the noble aim of promoting a clean and pollution-free environment. A dedicated group of 12 enthusiastic participants actively engaged in a comprehensive cleaning initiative around the college campus.

Agontuk

On the same day, 1st October 2024, Agontuk took place, consisting of two phases. Phase I included an idol-making competition (Aradhana) and a quiz competition (Akurath), while Phase II featured cultural competitions such as the singing competition (Vandana) and dance competition (Samarpan).

On 4th October 2024, Taaza Dandiya 2024, sponsored by Taaza TV and MCKVIE, was held to celebrate Dandiya and the start of Navaratri. The event, organized by the Risers Club of MCKVIE, saw enthusiastic participation of over 150+ attendees.

From 8th October to 20th October 2024, Saptaho Jure Sarod Sure 4.0, a week-long online cultural extravaganza, was organized by the Risers Club of MCKVIE to celebrate Durga Puja. Participants shared their creative expressions across six different categories in the event's official group.

On 18th October 2024, GAMECON 2024, the Esports Championship, showcased the growing influence of mobile gaming, featuring two of the most popular titles—FIFA Mobile and BGMI (Battlegrounds Mobile India). The tournament drew a huge audience, highlighting the excitement surrounding competitive esports.

On 22nd and 23rd October 2024, RUDRA (Self-Defense Workshop) was conducted for the overall physical and mental development of engineering students. The event focused on enhancing self-defense skills and empowering future engineers. With 400+ participants, it successfully fostered confidence and resilience among attendees.

RUDRA (Self-Defense Workshop)

On 29th October 2024, Dil Wali Diwali was celebrated with a joyous pre-Diwali event at Lal Baba Ashram. Organizers, volunteers, and children crafted vibrant Rangoli, painted Diyas, and distributed crackers, bringing smiles to everyone's faces and spreading festive cheer.

From 31st October to 4th November 2024, Khushiya Ka Tyohaar 4.0 was organized by the Risers Club of MCKVIE to celebrate Diwali by encouraging creativity and festive spirit among students.

On 4th November 2024, Spooky Halloween brought an eerie yet fun-filled experience for all attendees. Hosted by the Risers Club of MCKVIE, the event featured frightful games and spine-chilling experiences, making it a memorable celebration.

On the same day, 4th November 2024, Vastradaan, a charitable initiative, was conducted to collect and distribute clothes to underprivileged individuals in the community. The event fostered a sense of social responsibility and compassion.

On 9th November 2024, in celebration of National Entrepreneurship Day, the Entrepreneurship Webinar was hosted by the Risers Club of MCKVIE. Led by Pranjal Basu from the Club Service Team, the event featured seasoned entrepreneurs sharing insights on starting and scaling businesses in India.

On 2nd December 2024, a Webinar on National Pollution Control Day was conducted to raise awareness about environmental pollution. The session inspired participants to take proactive measures as environmental stewards.

On 4th December 2024, Yoga & Meditation, organized by MCKVIE in association with AICTE Fit India Program, was held to promote fitness and well-being among students.

From 6th December to 10th December 2024, Poster Paradox was organized to elect a new member for the editorial committee. With Christmas as the chosen theme, Sanandam Bhattacharjee emerged as the winner, earning a place in the Editorial Committee.

On 11th December 2024, Blanket of Kindness was held to support underprivileged individuals by distributing blankets to those in need during winter. This initiative emphasized the importance of giving back to society.

On 14th December 2024, the Webinar on National Energy Conservation Day, organized by the Risers Club of MCKVIE in collaboration with the Institution's Innovation Council (IIC), was conducted via Google Meet. The session, attended by 80+ participants, covered Energy Conservation and Audit.

On 17th December 2024, Vatavaran 2.0, a tree plantation drive, was conducted at Railway Colony, Liluah, in collaboration with The Greenovation Club of MCKVIE. The initiative aimed to enhance environmental awareness and contribute to a greener ecosystem.

On 18th December 2024, the Fitness Camp, conducted by Shibpur Seishinkai Academy of Martial Arts, provided an exciting session on physical fitness and self-defense skills. Participants engaged in free-hand exercises and basic karate techniques, empowering them with essential self-defense knowledge.

What our Alumni Says

Rekindling the golden days....

It feels like only yesterday that the classrooms, laboratories and premises of the ECE department were bustling with the chaos of the endless peer talks, shared jokes, anxiety about the new semester subjects and fear of surprises at the semester exams.

Yes, this place was a canvas where I painted dreams about the unknown yet exciting future that awaited me. With high hopes and anxious mind I began my journey about discovery and growth through an institute that created engineers with "human ingenuity", my, beloved MCKV Institute of Engineering.

Ankita De (Batch 2007-2011)

It's been a whopping 14 years since I graduated from this academy, and yeah.... what an amazing journey it has been so far! I trust this journey will evolve further with new experiences, challenges and people that will gradually transform my perspective of life. However, let me admit without a doubt, the memories of my college days- the good and bad times with friends under the mango tree or at the basketball court, the long conversations with teachers about electromagnetic theory/ communication theories/ computer architectures that made me go crazy sometimes, the fun-filled learning at the labs with assignments and lab experiments, the curious time spent with the experienced faculties before the exhibitions at BITM or tech fests leaves behind a deep sense of gratitude as these learnings shaped me to become who I am today.

I have traversed a long way as an engineering professional, mainly through my association in the Auto industry, starting with Mahindra & Mahindra Ltd-MRV Chennai- a platform that was provide by this institute making it easy for me to step aboard the "real" professional world. Experiencing professional life through various organizations at different points in time, at present I am working as a Management Consultant at a business consulting firm, Accenture India Pvt. Ltd. Even though my profession has taught me many lessons but I firmly believe all the crucial lessons that I carry with me even today- the ability to adopt, stand tall on my own feet, speak my mind out without the fear of being judged, team work and last but not the least the technical education imparted, were honed within the walls of this great institute.

Such is my bonding with this institute and its torch bearers, that dropping by college whenever I am in Kolkata feels like a second home. The warmth and love with which my department still welcomes me each time is truly exceptional and it always takes me back to those days as a student. Their care and concern have not changed a bit over time and I am glad to have been associated with these kind-hearted human beings who not only imparted education from the books but also shared life-lessons. As I reflect on the past-time spent in college, my teachers left an indelible mark on me, true mentors who helped me glide through the avenues of life. Their dedication in shaping successful professionals and empathetic human beings made me learn that pushing through boundaries and thinking beyond the obvious is how the way forward should be.

To those, who are still weaving their college stories - dare to learn, stumble and grow under the watchful eyes of these guardians because one day, you'll look back, just as I do, with a heart full of gratitude and pride for your alma mater and the people who shaped your journey. For me this institute and its teachers were the true architects of who I have become today, for I can never tell when their influence stops.

MCKV INSTITUTE OF ENGINEERING
A Co-Ed PG Degree Engineering College
Affiliated to MAKAUT & AICTE approved
Liluah, Howrah (West Bengal)

M. C. KEJRIWAL VIDYAPEETH
(Boy's School Affiliated to ICSE & ISC)
Liluah, Howrah (West Bengal)
