ABOUT MCKVIE

MCKV Institute of Engineering is one of the top engineering colleges in West Bengal established more than two decades ago (since 1999) with a vision to foster the spirit of technological learning and its application through creating the right kind of opportunity and ambience for educating young minds in the digital era. The Institute has been accredited by NAAC with an 'A' Grade, and it is an Autonomous Institute affiliated to MAKAUT, WB and approved by AICTE. It offers core and applied engineering programmes like: Mechanical Engineering, Electrical Engineering, Computer Science Engineering, Electronics and Communication Engineering, Information Technology and last but not the least a very niche stream that is Automobile Engineering, some of which are accredited by NBA. Besides, M.Tech in Electronics and Communication Engineering (with specialization in Communication) is being conducted to encourage students in higher studies for over 10 years.

With the confidence of her illustrious track record and with the support of autonomy, MCKVIE has stepped in to launch three new B.Tech courses viz. CSE (Data Science), EC(VLSI Design) and Artificial Intelligence & Machine Learning(AI&ML) along with a PG course in the field of Management, MBA(Business Analytics) where the curricula are designed to accommodate the trending need of the Industry.

The Institute is always committed to provide quality education to cater to the diversified needs of the industry and encourage research works as well for the society at large. Its State-of-the-art infrastructure, industry-academia collaborations, experienced senior faculty and rigorous hands-on training sessions, transform students into industry-ready professionals. For more than 20 years, MCKVIE has been known for its spirit of excellence that transforms students into intellectuals, where faculty works with the students to engineer solutions and encourage exploration across disciplines. Critical thinking and networking is the main focus – on campus, off campus and after graduation.

National Innovation and Start-up Policy (NISP)

MCKV Institute of Engineering (Autonomous), Liluah, Howrah has initiated the efforts for implementing the National innovation and start-up policy (NISP) under the aegis of the Ministry of Education's Innovation Cell (MIC). The policy aims at promoting innovation and start-up culture among the students and faculty of Higher Educational Institutes. The detail of MCKVIE –NISP policy can be found at <https://www.mckvie.edu.in/nisp/>.
