

Report on MCKVIE Greenovation Club's Journey

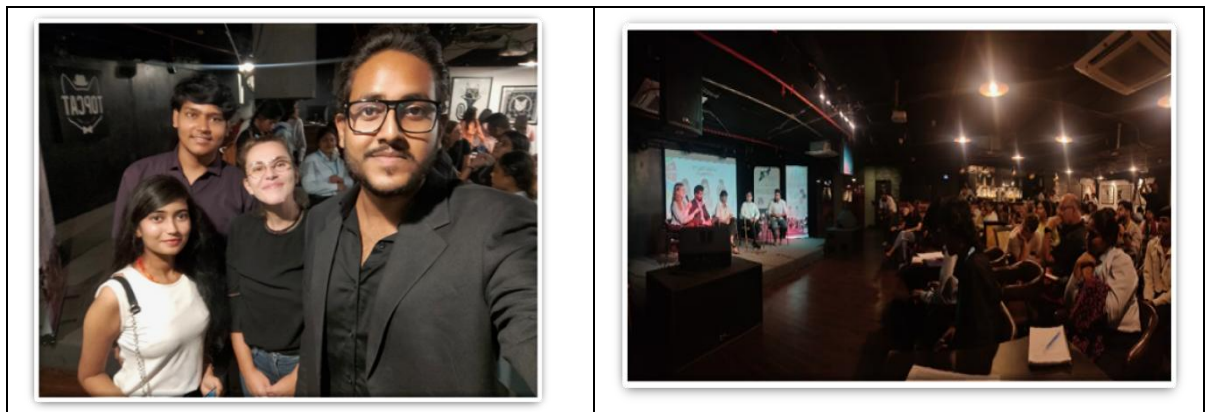

Our club has been active at both inside & outside of the campus, organizing and being present in several activities. Our club's installation ceremony marked the onsetting of our club's.

The following events took place:

1. **Club Installation Ceremony:** Taking place at B-312 SIT Hall of our MCKVIE Campus in the month of September, 2023. With over 30 participants being actively present in the event. The event was inaugurated by Anisha Pandey, from SwitchON foundation whose presence was heavily appreciated. Core members of this club, provided presentations regarding the club goals and forecasts.

2. **Y-East Mixer:** On 30th of November, 2023 Switch-ON Foundation held an event in Top Cat Café, Topsia. There were three speakers, namely, Arpit Banerjee, Soudeep Banerjee, Sonali Bhattacharya who spoke on several significant topics regarding environment and entrepreneurship. The participants from MCKVIE were present at this event, making it successful.

3. **SwitchON Foundation's Fundraising Workshop:** At Jadavpur University, on 16th of December, 2023, took place another event whose main focus was fundraising for the ones in need. Two speakers were Aaquib Siddiquei and Vinay Jaju. Six participants from MCKVIE attended this event.

4. **EcoVision:** It was a poster – making competition which took place on 22nd November, 2023 in our MCKVIE college campus itself at B-312 Seminar Hall with approximately 25 participants. It was a huge success as it was a first event by Greenovation Club of MCKVIE with good response from college students as well. The guest from SwitchON Foundation for this event was Krishanu Bhattacharya.

5. **Greenovation Club In-Person Meet:** On 12th of January, 2024, 3 of our club members went to Alliance Francaise du Bengale, Park Street to attend a SwitchON Foundation event

which had Prof. CD. Mitra of IIM Calcutta as the main speaker & host and he talked about innovation and entrepreneurship and how to kickstart a startup in great detail.

6. **Earth Day Symposium:** Taking place at Science City, Kolkata on 8th and 9th of March, 2024, 15 students from MCKVIE participated and volunteered to be present at this event.

7. **Eco Quest:** On 9th April, 2024, the Greenovation Club of MCKVIE successfully organized and hosted the event “Eco Quest” which was an Innovative Idea presentation.
